ASSIGNMENT

WHEREAS, Robert B. Eveleigh of 2455 Tarpon Road, Naples, FL 34102, Thomas R. Baker of 12895 E. 186th Street, Noblesville, IN 46060, and Cameron West of 662 Center Street, Greenfield, IN 46140, hereinafter referred to as Assignors, have made a new and useful invention in the field of EYE WASH SYSTEM FOR EMERGENCY USAGE as described in drawings, notes, and recorded media (collectively, "Documents") and as described at least in part in United States provisional patent application Serial No. 61/897,554 filed October 30, 2013; United States provisional patent application Serial No. 61/970,020, filed March 25, 2014; and United States patent application Serial No. 14/528,404, filed October 30, 2014, (hereinafter "Invention");

WHEREAS, Magarl, LLC, hereinafter referred to as Assignee, a limited liability company of the State of Nevada, having a principal place of business at 2455 Tarpon Road, Naples, FL 34102, hereinafter referred to as Assignee, desires to acquire and has acquired all of the entire right, title, and interest in, to and under said Documents and said Invention and in any Letters Patent, United States and foreign, which may be obtained therefore and thereon;

NOW, THEREFORE, to all whom it may concern, be it known that for and in consideration of good, valuable and sufficient consideration to Assignors in hand paid, the receipt of which is hereby acknowledged, Assignors have sold, assigned and transferred, and by these presents do sell, assign and transfer unto Assignee, all of the entire right, title, and interest in, to and under said Invention, and in, to and under said application for United States Letters Patent, and any and all other applications thereon and arising therefrom, including any and all applications claiming the benefit thereof, and any and all divisions and continuations thereof, and any and all patents to be issued and obtained therefor and thereon, United States and foreign, including all reissues and extensions thereof, and any and all improvements to said Invention conceived by Assignors, alone or with others, while working for, or under contract to, Assignee, whether or not such improvements are included in any Letters Patent or applications for Letters Patents.

Assignors acknowledge that said Invention, including any improvements thereto, whether disclosed in said Documents or not, are the property of Assignee and any information related thereto, including said Documents and the information disclosed in said Documents, is to be maintained in confidence and is not to be disclosed by Assignors to any third party without the express written consent of Assignee. This obligation of confidentiality survives the termination of employment or any contract for any services between Assignors and Assignee.

Assignors agree to assign and execute any and all other papers necessary or desirable for the procurement of Letters Patent on said Invention in this and all foreign countries for the use of Assignee, said agreement surviving Assignors' employment by, or contract with, Assignee.

Assignors understand that Bingham Greenebaum Doll LLP does not personally represent Assignors or Assignors' legal interests, but instead represents the interests of Assignee. Assignors acknowledge their right to retain their own independent legal counsel.
