For value received, We, **Bao Bui** residing at 2245 Antoine-Naaman, Sherbrooke, QC J1J 4J5, CANADA; and **Raymond B. Leonard** residing at 3503 William Court, Bloomington, IN 47401, U.S.A., hereby sell, assign, and transfer to **Cook Incorporated**, a corporation of the State of Indiana, having an office at 750 N. Daniels Way, Bloomington, IN, 47404, U.S.A., its successors, assigns and legal representatives, hereinafter collectively "Cook," and

For value received, We, **Werner D. Ducke**, and residing at 4 Mattison Way, Greenwood, WESTERN AUSTRALIA 6024; and **David E. Hartley** residing at 73 Sandpiper Island Retreat, Wannanup, WESTERN AUSTRALIA 6210, hereby sell, assign, and transfer to **William Cook Australia Pty. Ltd.**, a corporation of Australia, having an office at 12 Electronics Street, Brisbane Technology Park, Eight Mile Plains, Brisbane, Queensland AUSTRALIA 4113, and its successors and legal representatives, hereinafter collectively "Cook Australia,"

the entire right, title and interest, for the United States of America, and the entire right, title and interest, in and to certain inventions related to described in U.S. Provisional Application Serial No. 61/126,801, filed on May 6, 2008; U.S. Provisional Application Serial No. 61/065,942, filed on February 15, 2008; and U.S. Provisional Application Serial No. 61/001,480, filed on November 1, 2007, and any and all applications claiming the benefit thereof including the right of priority, and described in U.S. Nonprovisional Application Serial No. 12/261,860 filed on October 30, 2008 and all the rights and privileges in said applications and under any and all Letters Patent or any continuation, division, renewal, or substitute thereof, and any reissue or re-examination thereof that may be granted in the United States for said inventions, together with the right to recover all damages, including, but not limited to, a reasonable royalty, by reason of past, present, or future infringement or any other violation of patent or patent application rights; to have and to hold for the sole and exclusive use and benefit of the Assignee, its successors and assigns, to the full end of the term or terms for all such patents. We also concurrently hereby sell, assign and transfer to Cook and Cook Australia, either jointly or individually, the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the applications aforesaid, and all the

rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions. I/we sell, assign, and transfer this right, title and interest as of the day of filing of the U.S. Provisional Application mentioned above.

We authorize Cook and Cook Australia, either jointly or individually, to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Cook and Cook Australia, either jointly or individually, to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We request that any and all patents for said inventions be issued to Cook and Cook Australia, either jointly or individually, in the United States and in all countries foreign to the United States, or to such nominees as Cook and Cook Australia, either jointly or individually, may designate.

We agree that, when requested, I/we shall, without charge to Cook and Cook Australia, but at their expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.

The Commissioner of Patents and Trademarks is hereby authorized and requested to issue patents to the Assignee in accordance with the terms of this Assignment.
