CONFIRMATORY ASSIGNMENT

WHEREAS, I, Noah M. BENJAMIN, ASSIGNOR, citizen of the United States, having a mailing address at c/o AMPAC Fine Chemicals, LLC, P.O. Box 1718, Rancho Cordova, California, 95741, United States, in relation to the invention for

IMPROVED METHODS FOR ENRICHING ALPHA-TOCOTRIENOL FROM MIXED TOCOL COMPOSITIONS

for which an application for a Patent has been executed

☒ which is identified by Squire Patton Boggs (US) LLP docket no. 112738.00743

☒ which was filed on December 16, 2016, International Patent Application No. PCT/2016/067377

and WHEREAS AMPAC Fine Chemicals, LLC, a corporation organized and existing under the laws of California, and having an office for the transaction of business at Highway 50 and Hazel Avenue, Rancho Cordova, California 95670, herein referred to as "ASSIGNEE," was desirous of obtaining my entire right, title and interest in, to and under said invention and said application.

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt of which is hereby acknowledged, I, the ASSIGNOR, confirm that I have sold, assigned, transferred and set over, unto the ASSIGNEE, my entire right, title and interest in, to and under the invention, and the PCT International Patent Application and all national and regional stage applications thereof and all national and regional divisionals, and continuations thereof; and all Patents of the United States which may be granted on said national stage applications and all divisionals, continuations, reissues and extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may hereafter be filed for said invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from said PCT International Patent Application under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates and designs which may be granted for said invention in any country or countries foreign to the United States and all extensions, and reissues thereof;

AND I HEREBY authorize and request the Commissioner for Patents and any Official of any country or countries foreign to the United States, including Japan, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to the ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument;

AND I HEREBY covenant and agree that I have full right to convey the entire interest herein assigned, and that I have not executed, and will not execute, any agreement in conflict herewith;

AND I HEREBY further covenant and agree that I will communicate to the ASSIGNEE, its successors, legal representatives and assigns, any facts known to me respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all national and regional stage applications and any divisional, continuing, reissue and foreign applications, make all rightful oaths, and generally do everything possible to aid the ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper protection for said invention in all countries.

IN TESTIMONY WHEREOF, I hereunto set my hand and seal the day and year set opposite my respective signature.
