## ASSIGNMENT

WHEREAS, **Marco LISI** whose full post office address is **1654 croissant de l'Isle Maligne, Laval, H7E 3L5, Quebec, Canada**, (hereinafter the "Assignor"), is the inventor of an invention, which is the subject of an International Application entitled "**METHODS , DEVICES, AND SYSTEMS FOR TRACKING VEHICLES**", filed under Serial No. **PCT/CA2015/000109** (hereinafter the "International Application"), under the provisions of the Patent Cooperation Treaty (PCT), on **February 23, 2015**.

AND WHEREAS, **FoxTrac Inc.** whose full post office address is **1654 croissant de l'Isle Maligne, Laval, H7E3L5, Quebec, Canada**, (hereinafter the "Assignee"), has acquired from the Assignor, all of the Assignor's entire right, title and interest in and to the said invention, in all countries of the world, including all of the Assignor's rights to the International Application, and all related applications and patents thereon, including any and all national and regional phase applications based on the International Application, and all substitutes, divisionals, continuations, and continuations-in-part, and all patents, that may be obtained therefor, and in any and all reissues, extensions, renewals, reexaminations of said applications and patents, including the right to claim priority to the Priority Application, to the International Application and to all related applications and patents thereon filed by the Assignor or Assignee, including the benefit of any right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and the benefit of any right of priority provided by any convention or treaty under domestic or foreign law, and to invoke and claim any such right of priority without further written or oral authorization from the Assignor;

NOW THEREFORE, in consideration of the sum of one dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of all of which is hereby acknowledged, the Assignor by these presents confirms that, as of the filing date of the International Application, the Assignor does hereby sell, assign and transfer to said Assignee, the Assignor's entire right, title and interest in and to the invention, the

International Application, and all other applications and patents based on the International Application, including the right to claim priority to the Priority Application, the International Application and to all related applications and patents thereon, to be held and enjoyed by the Assignee, its assigns and successors, as fully and entirely as the same would have been held and enjoyed by the Assignor, had this assignment not been made.

The Assignor hereby confirms that the Application was made or was authorized to be made by himself or herself and that the Assignor believes himself or herself to be the original inventor or joint inventor of a claimed invention in the Application.

The Assignor shall without further consideration do all such things and execute all such documents as may be necessary or desirable to obtain and to maintain applications and patents for said invention and for additions and modifications thereto in any and all countries, and to vest title thereto in said Assignee, its successors, assigns and legal representatives or nominees.

The Assignor authorizes and empowers the firm of Bereskin & Parr LLP/S.E.N.C.R.L., s.r.l., whose complete address is Scotia Plaza, 40 King Street West, 40th Floor, Toronto, Ontario M5H 3Y2, the power to insert on this assignment any further identification, to prepare any translation which may be necessary or desirable in order to comply with the rules for recordation of this document in any country, and to correct any clerical error in this assignment.

In this Assignment, in accordance with provisions of Article 2 (i) and (ii) PCT, "application" means an application for the protection of an invention; references to an "application" shall be construed as references to applications for patents for inventions, inventors' certificates, utility certificates, utility models, patents or certificates of addition, inventors' certificates of addition, and utility certificates of addition; references to a "patent" shall be construed as references to patents for inventions, inventors'

certificates, utility certificates, utility models, patents or certificates of addition, inventors' certificates of addition, and utility certificates of addition.

If a provision of this Assignment is or becomes illegal, invalid or unenforceable in any jurisdiction, that shall not affect the validity or enforceability in that jurisdiction of any other provision of this Assignment, or the validity or enforceability in other jurisdictions of that or any other provision of this Assignment.

The Assignor hereby acknowledges that any willful false statement made in this assignment/declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

For the purpose of all legal proceedings this Assignment will be deemed to have been performed in the Province of Ontario and will be governed by and construed in accordance with the laws of the Province of Ontario and the laws of Canada applicable therein.

The Parties confirm their express wish that this Assignment be drawn up in the English language. *Les parties confirment leur volonté expresse que cette cession soit rédigée en langue anglaise.*
