PATENT ASSIGNMENT

This Patent Assignment [the "Assignment"] is made and entered into on **May 25, 2018** [the "Effective Date"] by and between **James G. Montagnino**, an individual domiciled at 4309 Canterbury Court Saint Charles, IL 60174 [the "Assignor"], and **Crane USA Inc.**, an Illinois business entity, bearing the state registration number D-64997718, located at 1015 Hawthorn Dr., Itasca, Illinois 60143 [the "Assignee" collectively, the "Party/Parties"].

WHEREAS, the Assignor is the sole and rightful owner of a Design, Non-Provisional Patent Application, number **29649131**, titled **EVAPORATIVE HUMIDIFIER_AIR PURIFIER COMBO**, filed on **May 25, 2018** with the United States Patent and Trademark Office (USPTO) [hereinafter referred to as the "Patent"]; and

WHEREAS, the Assignee, legally capable of entering into this Agreement, desires to acquire from the Assignor all rights, title and interest to the Patent, including any current/future improvements thereof; and agrees to undertake the legal responsibility for any/all future affairs and actions impacting the Patent.

NOW THEREFORE, the Parties hereto agree as follows:

I. ASSIGNMENT

For other valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignor assigns and transfers to the Assignee, on the Effective Date, the entire and exclusive right, title and interest in the Patent, for its full term, including any improvements, continuations, divisions, renewals, substitutes or reissues thereof.

In addition, the Assignor hereby covenants that no assignment, sale, agreement or impediment has been or will ever be made or entered into by the Assignor which would conflict, in any way, shape, or form with this Assignment.

II. GENERAL PROVISIONS

NO WAIVER, the waiver or failure of either Party to exercise in any respect any right/provision provided in this Agreement shall not be deemed a waiver of any other right or remedy to which the Party may be entitled.

SERVICEABILITY, if any provision of this Agreement is held to be illegal, invalid, or unenforceable, the Parties agree to comply with the remaining provisions of this Agreement.

NON-AGENCY, the affiliation between the Parties established by this Agreement shall be limited to that of Assignor and Assignee, excluding creation of agency, partnership or joint venture between the Parties, therefore, firmly declaring that non-agency between the Parties will be fully maintained beyond the Effective Date.

ASSIGNMENT RIGHTS, the Assignee may assign this Agreement in connection with sale, merger, company reorganization, or the transfer of substantially all of the assets of the business to which this Agreement relates.

WARRANTY, the Assignor hereby warrants that the title to the Patent is free and clear of any encumbrances and that Assignor is not aware of any adverse claims thereto in any domestic or foreign jurisdiction.

GOVERNING LAW, this Agreement shall be construed and enforced according to the laws of the State of Illinois and any dispute and/or legal action related/under this Agreement must be brought in this venue and no other.

ENTIRETY OF AGREEMENT, this Agreement constitutes the entire agreement between the Parties pertaining to the Patent being assigned, and supersedes entirely all written and/or oral agreements previously existing between the Parties with respect to any/all provisions of this Agreement.

IN WITNESS WHEREOF, the PARTIES have executed this AGREEMENT effective as of the date set forth above.
