ASSIGNMENT OF INVENTION AND PATENT RIGHTS

We, James Michael White, residing at 312 Grand Cypress Drive, Meridian, Mississippi 39342,

Roy Daniel Seale, residing at 624 S. Wedgewood Road, Starkville, Mississippi 39759, and

Don Roberts Clark, residing at 312 TLC Drive, Witts Springs, Arkansas 72686,

all of the United States of America (hereinafter collectively, the "Assignors"), in consideration of the equivalent of ten U.S. Dollars (\$10.00) and other valuable consideration paid to us by Scrimtec Holdings, LLC, a Delaware limited liability company, maintaining a business address at P.O. Box 68, Shuqualak, Mississippi 39361 ("Assignee"), the receipt and adequacy of which is hereby acknowledged, do hereby sell, assign, and transfer unto Assignee, its successors and assigns, the entire right, title and interest for the United States of America and all foreign countries including all rights of priority under the International Convention for the Protection of Industrial Property in a certain invention or improvement in the invention entitled:

APPARATUS AND METHOD FOR DENSIFYING A FIBROUS MAT

described in an application about to be filed in the United States Patent and Trademark Office, (subsequently assigned Application No. 13/023,082, filed FEBRUARY 8, 2011) and in all Letters Patent of the United States and all foreign countries which may or shall be granted on said invention, or any parts thereof, and on said application, and any provisional, nonprovisional, divisional, continuation, continuation-in-part, reissue and other applications, based in whole or in part thereon, including the right to sue and collect damages for past infringement. And we agree, for ourselves and our executors and administrators, with Assignee and its successors and assigns but at its or their expense and charges, hereafter to execute all applications, amended specifications, deeds or other instruments, and to do all acts necessary or proper to secure the grant of Letters Patent in the United States and in all other countries to Assignee, with specifications and claims in such form as shall be approved by the counsel of Assignee and to vest and confirm in Assignee, its successors and assigns, the legal title to all such patents. Assignors further authorize and grant an irrevocable limited power of attorney, being coupled to an interest, to Assignee's attorney, Jason A. Bernstein, and also to W. Anderson Thomas, and their designees, to execute on Assignors' behalf any documents necessary to evidence the inventorship or ownership and assignments granted herein for the United States or any other country without further notice to Assignors and to fill in the application number and filing date above when obtained, even if after execution of this Agreement.

And we do hereby authorize and request the Commissioner for Patents of the United States to issue such Letters Patent as shall be granted upon said application or applications based thereon to Assignee, its successors and assigns.
