ASSIGNMENT – WORLDWIDE

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each undersigned inventor has sold and assigned, and by these presents hereby sells and assigns, unto

DIVERSEY, INC.
2415 Cascade Pointe Boulevard
Charlotte, NC 28208

(“Assignee”), including its successors and assigns, the entire right, title and interest, so far as concerns the United States and the Territories and Possessions thereof and all foreign countries in and to the invention entitled **“FLOOR CLEANING DEVICE”**

as set forth in the following Patent Application(s)

- executed concurrently herewith and filed at the United States Patent and Trademark Office on _____ under Serial No. _____ and bearing attorney docket no. _____
- executed on _____
- Application No. PCT/US2017/13094 filed January 12, 2017
- Application claims priority from 62/279,675 filed January 16, 2016, all applications listed above being hereinafter referred to the “application(s)”;

(We authorize and request the Assignee and its attorney, to insert above the application serial number and filing date of said application when known.)

said application(s) for Letters Patent, including all divisional, renewal, substitute, continuation, nonprovisionals, continuations-in-part, and Convention applications based in whole or in part upon said invention or upon said applications, and any and all Letters Patent and reissues, reexaminations, and extensions of Letters Patent granted for said inventions or upon said applications and every priority right that is or may be predicated upon or arise from said invention, said application, and said Letters Patent, and all rights to sue for past, present, or future infringement of said Letters Patent worldwide, together with all claims for damages by reason of such infringement of said Letters Patent, including the right to sue for and collect said damages; said Assignee being hereby authorized to file patent applications in any or all countries on any or all said inventions in the name of the undersigned or in the name of said Assignee or otherwise as said Assignee may deem advisable, under the International Convention or otherwise, the Commissioner of Patents and Trademarks of the United States of America being hereby authorized to issue or transfer all said Letters Patent to said Assignee in accordance herewith; this assignment being under covenant, not only that full power to make the same is had by the undersigned, but also that such assigned right is not encumbered by any grant, license, or other right theretofore given, and that the undersigned will do all acts reasonably serving to ensure that the said inventions, patent applications and Letters Patent shall be held and enjoyed by said Assignee as fully and entirely as the same could

have been held and enjoyed by the undersigned if this assignment had not been made, and particularly to execute and deliver to said Assignee all lawful documents including petitions, specifications, oaths, assignments, invention disclaimers, declarations, and lawful affidavits in form and substance which may be requested by said Assignee, to furnish said Assignee with all facts relating to said inventions or the history thereof and any and all documents, photographs, models, samples or other physical exhibits which may embody said inventions, and to testify in any proceedings relating to said invention, patent applications, and/or Letters Patent.

The undersigned hereby grant(s) an authorized representative of Assignee the power to insert in this Assignment any further identification that may be necessary or desirable to comply with the rules of the U. S. Patent and Trademark Office for recordation of this Assignment.
