ASSIGNMENT

WHEREAS, we, **John KAPPLER** of 4350 Montview Boulevard, Denver, Colorado 80207, have invented a certain new and useful invention entitled "**INSULIN MIMOTOPES AND METHODS OF USING THE SAME**" for which a provisional application for Letters Patent of the United States has been prepared and filed on **June 30, 2017**, receiving Serial No. **15/541,074**, and further identified as Attorney File No. **2848-166-PUS**.

NOW THEREFORE, be it known that we, the said inventors, for and in consideration of certain good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, at the request of the assignee do sell, assign and transfer unto said assignee, **National Jewish Health**, having a place of business at 1400 Jackson Street, Denver, Colorado 80206, its successors, legal representatives and assigns, the aforesaid application for the territory of the United States of America and any improvements and modifications thereto, the provisional and non-provisional applications, all applications claiming benefit of the provisional and non-provisional applications, including, but not limited to, all continuation, divisional, continuation-in-part and reissue applications, all patent applications in foreign countries, all applications pursuant to the Patent Cooperation Treaty and all applications for extension filed or to be filed for the invention, and all Letters Patent, Invention Registrations, Utility Models, Extensions or Reissues and other patent rights, obtained for the invention in the United States or any other country; we also assign any right, title or interest in and to the said invention which has not already been transferred to the assignee, we warrant that we have made no assignment of the invention, application or patent therefor to a party other than **National Jewish Health**, and we are under no obligation to make any assignment of the invention, application, or patent therefor to any other party; and we further agree to cooperate with the assignee hereunder in the obtaining and sustaining of any and all such Letters Patent and in confirming assignee's exclusive ownership of the invention, but at the expense of said assignee.

IN WITNESS WHEREOF, the party hereto has executed this Assignment as of the date indicated hereunder.
