## ASSIGNMENT OF PATENT RIGHTS

In consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, each of the undersigned Assignors:

Olaf M. LUBECK  
residing at  
39532 S. Windwood Dr.  
Tucson, AZ 85739

and

John H. HALL  
residing at  
6355 Willowfield Way  
Springfield, VA 22150

has sold, assigned and transferred, and hereby sells, assigns and transfers to Assignee:

airsMobile Inc.  
a Delaware Corporation whose business address is  
39532 S. Windwood Dr.  
Tucson, AZ 85739

and its successors, assigns and legal representatives, the entire right, title and interest for the United States and all foreign countries, in and to any and all improvements which are disclosed in

U.S. Patent Number 8,131,307 issued March 6, 2012

and entitled:

## METHOD FOR REQUESTING TRANSPORTATION SERVICES

and in, to and under said patent and all divisional, continuing, substitute, renewal, reissue and all other applications for patent which have been or shall be filed in the United States and all other foreign countries on any of said improvements, including the right to claim priority to any and all prior related applications; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said improvements, the same to be held and enjoyed by the Assignee for its own use and benefit, and for the use and benefit of its successors or other legal representatives, to the end of the term or terms for which said patents of the United States are or may be granted or reissued as fully and entirely as the same would have been held and enjoyed by the Assignors if this assignment and sale had not been made; together with the all claims for damages by reason of past infringement of said patent, with the right to sue for, and to collect for the same for its own use and benefit, and for the use and benefit of its successors, assigns or other legal representatives.

The Assignee may apply for and record the title to the patent(s) in its own name. When requested by the Assignee or its successors, the undersigned Assignor(s) will execute all other patent applications or declarations, proper oaths, assignments, powers of attorney, or other papers and communicate all facts known to each of them relating to the improvements and the history thereof; and generally do everything possible which the Assignee or its successors shall consider desirable for aiding in securing and maintaining proper patent protection for the improvements and for vesting title in the Assignee or its successors.

*Handwritten initials: JAH OF*

Each Assignor warrants that he has the full right to convey the rights and property described herein and that no assignment, grant, mortgage or license or other agreement affecting such rights and property has been made to any others by the undersigned, and that he will not execute any agreements in contravention of this Assignment.
