ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, **Hyunwoo LEE** of Republic of Korea, hereby assign to THINKWARE CORPORATION, a corporation having a place of business at FL. 9, A-Dong, 240, Pangyoyeok-Ro, Bundang-Gu, Seongnam-Si, Gyeonggi-Do, 13493, Republic of Korea, and its successors and assigns (collectively hereinafter called “the Assignee”), the entire right, title, and interest throughout the world in the inventions and improvements which are the subject of and described and/or claimed in an application for United States Design Patent, entitled “VIDEO RECORDER FOR VEHICLE”, the specification of which is being executed on even date herewith and is about to be filed in the United States Patent Office claiming priority from Korean Design Application No. 30-2018-0003260, filed on January 19, 2018; said application for United States Patent assigned U.S. Application Serial No. 29/655,522 and filing date of July 4, 2018; this assignment including said application for United States Patent, said Korean priority design application No. 30-2018-0003260, any and all United States and foreign patents, utility patents and models, continuations, continuations-in-part, divisionals, reexaminations, reissues, and design registrations granted for any of said inventions or improvements, and the right to claim priority based on the filing date of said application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and this assignment also including, without limitation, any claims (known or unknown, suspected or unsuspected) of any nature that we have or may have against any party for infringement of any of the patents and patent applications listed herein, and the right to sue for past infringement and to recover and retain damages and profits in respect thereof; and

I hereby covenant and agree that I will communicate to the Assignee or nominees all facts known to me pertaining to said inventions and improvements, and I agree for myself and my respective heirs, legal representatives, and assigns, without further compensation to perform such lawful acts and to sign such further applications, assignments, reissues, Preliminary Statements, and other lawful documents, testify in all legal proceedings, make all rightful oaths and declarations, and in general perform or cause to be performed all lawful acts necessary or proper

to aid the Assignee or nominees in obtaining, maintaining, and enforcing all lawful patent protection for the inventions and improvements in the United States and in foreign countries; and

I authorize the Assignee or nominees to insert herein in parentheses (LEBER IP LAW) the application number and filing date of said application for United States patent (or foreign counterpart application) to facilitate the recording or other official processing of this Assignment; and

I hereby covenant that I have the full right to convey the entire right, title, and interest herein assigned and that I have not executed and will not execute any agreement in conflict herewith.
