(collectively, herein, the "Inventor(s)"),

for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, the undersigned agree(s) to assign, and hereby do (does) assign¹, transfer and set over to

Name of Assignee: CURVER LUXEMBOURG Sarl
Luxembourg Company, of
Address of Assignee: Z.I. Haneboesch L4562
Niedercoorn
Luxembourg

(hereinafter designated as the "Assignee") all of any right, title and interest that may be presently held by the Inventor(s) throughout the world, in the invention, and all applications for patent and any Letters Patent, which may be granted therefor throughout the world (hereinafter referred to as the "Patents"), including the right to claim damages for past infringement of the Patents, as well as the right, if presently held by the Inventor(s) to claim priority from the first application filed for the invention known as

Title: **BATHROOM UTENSILS**

(hereinafter referred to as the "Invention") for which a patent application was filed in United States of America, on April 27, 2018 and accorded serial number 29/645,593. In executing this Assignment the Inventor(s) agree(s):

1) To execute all papers necessary in connection with the Patents and any continuing or divisional or reissue applications thereof and also to execute separate assignments in connection with such Patents as the Assignee may deem necessary or expedient or essential to its full protection and title in and to the Invention and to obtain the grant of valid patents;

2) To execute all papers necessary in connection with any legal proceedings in connection with the Patents which may be declared concerning the Patents (including, without limitation, opposition, post grant review, inter partes proceedings and infringement) and to cooperate with the Assignee in every way possible in obtaining evidence and going forward with legal proceedings;

3) To perform all affirmative acts which may be necessary to obtain a grant of valid patents to the Assignee;

4) To communicate to the Assignee or representatives thereof any facts known to me (us) respecting the Invention and improvements thereof, and will, upon request, but without expense to me (us), testify in any legal proceedings regarding the Invention or the Patents;

5) To authorize(s) and request(s) the competent patent authority to issue any and all Letters Patents on any application for the Invention to the said Assignee, as Assignee of the entire interest, and hereby covenants that he has (they have) full right to convey the entire interest herein assigned, and that he has (they have) not executed and will not execute, any agreement in conflict herewith;

6) That all existing rights and future rights relating to the Invention and the Patents are hereby assigned; and

¹The Inventor(s) make this assignment in abundance of caution, to facilitate administrative ease and without derogation from Assignee's rights to the Invention as a Service Invention under Israeli Law – all, if applicable.

14-01\02556814

7) That this Assignment shall be binding upon my (our) heirs, executors, administrators, and/or assigns, and shall inure to the benefit of the heirs, executors, administrators, successors and/or assigns of the Assignee.

In witness whereof, executed by the undersigned Inventor(s) and Assignee on the date(s) opposite the undersigned name(s).
