RELEASE OF SECURITY INTEREST IN INTELLECTUAL PROPERTY

THIS RELEASE OF SECURITY INTEREST IN INTELLECTUAL PROPERTY (the "Release") is made as of the 29th day of June 2018, between OVERSIGHT SYSTEMS, INC., a Delaware corporation ("Assignee"), and SILICON VALLEY BANK, a California corporation ("Assignor").

WHEREAS, in connection with certain loan documents, Assignee and Assignor entered into the Amended and Restated Loan and Security Agreement dated as of April 20, 2017 (as amended, restated, supplemented, or otherwise modified from time to time, the "Loan Agreement") and the Amended and Restated Intellectual Property Security Agreement dated as of April 20, 2017 (as amended, restated, supplemented, or otherwise modified from time to time, the "IP Agreement"; together with the Loan Agreement, collectively, the "Agreements") for the purpose of securing certain obligations of Assignee to Assignor;

WHEREAS, pursuant to the Agreements, Assignee granted Assignor, for the benefit of Assignor, a security interest in all of the Patents, Trademarks, and Copyrights (as defined in the Agreements) (collectively hereinafter the "Intellectual Property"), including without limitation the Patents, Trademarks, and Copyrights, identified on Exhibits A, B, and C, attached hereto (the "Released Intellectual Property"), and pledged and mortgaged (but did not transfer title to) the Intellectual Property to Assignor;

WHEREAS, the IP Agreement was recorded in the Trademark Division of the United States Patent and Trademark Office on April 25, 2017 at Reel 042328 and Frame 0277; and

WHEREAS, Assignee has requested that Assignor, and Assignor has agreed to, release its security interest in and lien upon the Released Intellectual Property.

NOW, THEREFORE, for valuable consideration and pursuant to the terms and conditions set forth in the Agreements:

Assignor hereby terminates the Agreements and releases its security interest in and lien upon the Released Intellectual Property and Assignor hereby assigns and transfers to Assignee, without any representation, warranty, or recourse whatsoever, Assignor's entire right, title, and interest in and to the Released Intellectual Property, effective as of the date set forth above, and hereby authorizes the Assignee or any of Assignee's authorized representative or designee to record this Release with the United States Patent and Trademark Office as evidence of such release and termination.

Assignor hereby agrees to execute such further instruments and documents and perform such further acts as Assignee may deem necessary to secure to Assignee the rights herein conveyed.
