ASSIGNMENT

WHEREAS, Brian E. Belcher and Larry L. Alexander, citizens of the United States of America, have invented certain new and useful improvements set forth in the issued United States Letters Patents, set forth in "Schedule A," which is attached hereto; and

WHEREAS, *Mobile Mounting Solutions, Inc.*, a corporation of the State of Texas, which has a business address of 406 Interchange Street, Suite A, McKinney, Texas 75071, (hereinafter referred to as "Assignee"), is desirous of acquiring my entire right, title and interest in and to the Letter Patents listed in Schedule A;

NOW, THEREFORE, for and in good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I do hereby sell, assign and transfer unto said Assignee, its successors, assigns and legal representatives the full and exclusive right, title and interest in and to said Letters Patents, and all patents which may be granted in the inventions therefor, to all provisional rights arising from pre-issuance publication of any of applications, and to all divisions, reissues, substitutions, continuations, continuations-in-part and extensions thereof; and I hereby authorize and request the Director of the United States Patent and Trademark Office to issue all patents for said inventions, or patents resulting therefrom, insofar as my interests is concerned, to said Assignee of my entire right, title and interest.

I also hereby sell and assign to said Assignee, its successors, assigns and legal representatives the full and exclusive right, title and interest to the inventions disclosed in said Letters Patents listed in Schedule A throughout the world, including the right to file applications and obtain patents, utility models, industrial models and designs for said inventions in its own name throughout the world including all rights of priority, all rights to publish cautionary notices reserving ownership of said inventions and all rights to register said inventions in appropriate registries, all foreign rights arising from pre-grant publication of said application and any applications issued from such Letters Patents listed in Schedule A; and I further agree to execute any and all powers of attorney, applications, assignments, declarations, affidavits, and any other papers in connection therewith necessary to perfect such right, title and interest in Assignee, its successors, assigns and legal representatives.

I hereby further agree that I will communicate to said Assignee, or to its successors, assigns and legal representatives, any facts known to me respecting any improvements, and, at the expense of said Assignee, to testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, continuation-in-part, reissue and substitute applications, make all lawful oaths, and generally do everything possible to vest title in said Assignee and to aid said Assignee, its successors, assigns and legal representatives to obtain and enforce proper protection for said inventions in all countries.
