## INTELLECTUAL PROPERTY ASSIGNMENT

THIS INTELLECTUAL PROPERTY ASSIGNMENT (this "*IP Assignment*") is made and entered into as of February 17, 2018 (the "*Effective Date*"), by and between Bradley E. Johanson ("*Assignor*"), and Tidebreak, Inc., a Delaware corporation ("*Assignee*").

WHEREAS, Assignor is an owner of U.S. Patent Number US7430721B2, dated September 30<sup>th</sup>, 2008, titled "Pointright: a system to redirect mouse and keyboard control among multiple machines", (the "Patent").

WHEREAS, Assignee desires to acquire rights in and to the Patent.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor does hereby sell, assign, transfer and set over to Assignee, the entire right, title and interest in the Patent.

Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States, and any official of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of industrial property protection on the Patents, to issue same to Assignee, its successors or assigns, in accordance with the terms of this IP Assignment.

Assignor covenants and agrees that it will generally do everything possible to aid Assignee, its successors, legal representatives and assigns, to obtain and enforce proper protection on the Patent in all countries, including, without limitation, communicating to Assignee, its successors, legal representatives and assigns, any facts known to it with respect to the Patent; and providing Assignee, its successors, legal representations and assigns reasonable cooperation and assistance at Assignee's reasonable request and expense in the preparation and prosecution of any applications, United States or foreign, and in the implementation or perfection of this IP Assignment, covering the inventions assigned herein, including (a) the execution and delivery of any and all affidavits, declarations, oaths, available exhibits, assignments, powers of attorney or other declaration as may be reasonably required, and (b) cooperation and assistance in obtaining any support agreed to by any co-inventors and co-owners.

Assignor covenants and agrees that it has the full right to convey their entire right, title and interest herein assigned, and that it has not executed, and will not execute, any agreement or other documents in conflict herewith.

This Patent Assignment shall be governed by California law without regard to conflicts of laws principles applicable thereto and may be executed in counterparts, any one of which need not contain the signatures of more than one party, but all of which, taken together, will constitute one and the same agreement.
