CONFIRMATORY ASSIGNMENT

WHEREAS I, MIKHAIL MOGILEVSKY (64 Michael Court, Thornhill, Ontario, L4J 2A9), am the inventor (hereinafter the Innovator) of the inventions specified in Schedule A (hereinafter the Inventions);

AND WHEREAS I wish to confirm that I did assign to LIONEL GERBER (70 Theodore Place, Thornhill, Ontario, L4J 8E4) of an undivided half interest in the Inventions;

NOW THEREFORE, in consideration of the sum of \$2 00, and other good and valuable consideration, all of the foregoing being hereby acknowledged as having been received, I, the Innovator by these presents do hereby confirm that I did assign and transfer unto Lionel Gerber (hereinafter the Assignee), an undivided one half interest in my rights, title and interests in Canada, the United States of America and all other countries in the world to the inventions, the aforesaid rights, title and interest, to be deemed to include, without limitation, all registrations of, and applications to obtain protection for and register, any of the foregoing with any governmental authority and any renewals, re-examinations, re-issues, extensions, divisions or continuations or continuations-in-part thereof, priority and other rights under international and regional conventions for the protection of intellectual and industrial property rights, and rights to assert remedies and make all claims pertaining to past interference with such rights, title and interest, including, without limitation, claims for damages with respect to any past infringement or breach of any such rights

We, the Innovator and Lionel Gerber, each further agree that we will without further consideration do all such things and execute all such documents as may be necessary or desirable to obtain and maintain intellectual property protection for any and all of the Inventions and to formalize the confirmatory assignment herein for any and all countries in the world

SIGNED as of the 22 day of November, 2010, at Brooklyn, New York, United States of America
