**EMPLOYEE NONDISCLOSURE, ASSIGNMENT, NON-COMPETITION,
AND TRADE SECRET POLICY AGREEMENT**

This Employee Nondisclosure, Assignment, Non-Competition, and Trade Secret Policy Agreement (the "Agreement") sets forth in writing certain understandings and procedures between me, the Employee, and Cleversafe, Inc. ("Cleversafe" or "Company"). The Agreement may supersede and/or modify prior agreements that I have in place with Cleversafe, Inc.

6. Disclosure and Assignment of Company Innovations. I agree that I have and shall continue to promptly disclose and describe to Cleversafe all innovations I make in whatever form or material, whether tangible or intangible, oral or written and shall include without limitation, complete and accurate copies of all source code, object code or machine-readable copies, documentation, work notes, flowcharts, diagrams, test data, reports, samples and other tangible evidence or results of such Innovations, works of authorship and work product, together "Company Innovations." I hereby acknowledge and agree that all Company Innovations are "works made for hire" under the United States Copyright Act (17 U.S.C., et seq.) as they relate to

such Act. To the extent such Company Innovations are not works made for hire, I have and hereby do and will assign to Cleversafe or Cleversafe's designee all my right, title, and interest in and to any and all Company Innovations. To the extent any of the rights, title and interest in and to Company Innovations have not or cannot be assigned by me to Cleversafe, I hereby grant to Cleversafe an exclusive, royalty-free, transferable, irrevocable, worldwide license (with rights to sublicense through one or multiple tiers of sublicensees) to practice such non-assignable rights, title and interest, including, but not limited to, the right to make, use, sell, offer for sale, import, have made, and have sold, such Company Innovations. To the extent any of the rights, title and interest in and to Company Innovations can neither be assigned nor licensed by me to Cleversafe, I hereby irrevocably waive and agree never to assert such non-assignable and non-licensable rights, title and interest against Cleversafe, or its directors, officers, employees, subsidiaries, affiliates, licenses, other related parties, any of their successors in interest, or any of Cleversafe's customers, pursuant to the Illinois Patent Act (IL St. Ch. 765 s 1060). This Section 6 shall not apply to any Innovations that (a) do not relate, at the time of conception, reduction to practice, creation, derivation, development or making to Company's business or actual or demonstrably anticipated research, development or business; and (b) were developed entirely on my own time; and (c) were developed without use of any of Company's equipment, supplies, facilities or trade secret information; and (d) did not result from any work I performed for Company.

7. Future Innovations. I will disclose promptly in writing to Cleversafe all Innovations conceived, reduced to practice, created, derived, developed, or made by me during the term of my employment and for twelve (12) months thereafter, whether or not I believe such Innovations are subject to this Agreement, to permit a determination by Cleversafe as to whether or not the Innovations should be considered Company Innovations. Cleversafe will receive any such information in confidence.

8. Cooperation in Perfecting Rights to Innovations. I agree to perform, during and after my employment, (and as it applies to Prior Innovations as set forth in Section 5 and Company Innovations as set forth in Section 6) all acts that Cleversafe deems necessary or desirable to permit and assist Cleversafe, at its expense, in obtaining and enforcing the full benefits, enjoyment, rights and title throughout the world in the Innovations as provided to Cleversafe under this Agreement. If Cleversafe is unable for any reason to secure my signature to any document required to file, prosecute, register or memorialize the assignment of any rights or application or to enforce any right under any Innovations as provided under this Agreement, I hereby irrevocably designate and appoint Cleversafe and Cleversafe's duly authorized officers and agents as my agents and attorneys-in-fact to act for and on my behalf and instead of me to take all lawfully permitted acts to further the filing, prosecution, registration, memorialization of assignment, issuance, and enforcement of rights under such Innovations, all with the same legal force and effect as if executed by me. The foregoing is deemed a power coupled with an interest and is irrevocable.

19. Entire Agreement. This Agreement, including any agreement to arbitrate claims or disputes relating to my employment that I may have signed in connection with my employment

by Cleversafe, represents my entire understanding with Cleversafe with respect to the subject matter of this Agreement and supersedes all previous understandings, written or oral.

I certify and acknowledge that I have carefully read all of the provisions of this Agreement and that I understand and will fully and faithfully comply with such provisions.
