ASSIGNMENT

Whereas, Brandon Ivey, whose address is 9399 Villa Crossing Drive, Greenwell Springs, Louisiana 70739 (hereinafter "Inventor"), has invented a new and useful device and system described in a Provisional Patent Application entitled "Forklift Adapter" (hereinafter "Invention"), which was filed on June 22, 2017 and assigned serial no. 62/523,374. Whereas, Ivey Enterprisers LLC, a Louisiana corporation (hereinafter "Assignee"), whose address is 9244 Mammoth Ave, Baton Rouge, Louisiana 70814, is desirous of acquiring the entire right, title and interest in the invention; and

NOW, THEREFORE, in consideration of the sum of One dollar (\$1.00), the receipt of which is acknowledged, and other good and valuable consideration, I, the Inventor, by these presents do sell, assign and transfer unto said Assignee the full and exclusive right to the Invention in the United States and in all foreign countries and the entire right, title and interest in and to any and all patent applications, including the rights in any non-provisional, substitute, continuation, continuation-in-part, and divisional application, which may be filed and patents which may be granted therefor in the United States and in any foreign countries, including the right to claim priority rights for such foreign applications to which such applications are entitled under international conventions, treaties or otherwise, and any reissue or reexamination patents issued thereon. I hereby authorize and request the Commissioner of Patents and Trademarks to issue said United States Patent to said Assignee of the entire right, title, and interest in and to the Invention, for Assignee's sole use and benefit and for the use and benefit of Assignee's legal representatives, to the full end of the term for which said Patent may be granted, as fully and entirely as the same would have been held by us had this Assignment not been made.

IN WITNESS WHEREOF, I hereby set my hand, date of signature and place of signature as indicated below.
