AFFIDAVIT OF NAME CHANGE

I, Ralf Bickel, declare that:

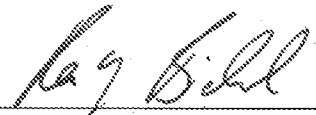

1. The above application was assigned from the inventors to CLONDIAG GMBH ("the company"). See USPTO Reel 035730, Frame 0555-563. The company is a German corporation having a place of business in Jena, Germany.
2. The attached document is an official excerpt from the Commercial Register B of the Local Court Jena, Germany. This can be verified and obtained at <https://www.unternehmensregister.de/ureg/search1.7.html?submitaction=language&language=en>.
3. The official excerpt from the commercial register lists all events in the history of the company from the foundation of the company in 1998 until June 1, 2010. The number in the upper right hand corner **HRB 207136** (highlighted in green) is the official registration number of the company. This number means that all actions in the document belong to the same company. For ease of reference, the name changes are highlighted in yellow.
4. The name of the company when it was first established was CLONDIAG chip technologies GmbH. See entry 1, col. 2 and 7 (noting date of first registration June 24, 1998).
5. On October 17, 2007 the company name was changed to CLONDIAG GmbH (col. 2). See entry 4, col. 2 and 6 (noting that during the "Firm Name" was amended).
6. On June 1, 2010, the company name was changed to Alere Technologies GmbH. See entry 6, col. 2 and 6 (noting that the "Firm Name" was changed).
7. As apparent from the executed assignments, the assignment document was prepared and signed by the first four inventors in 2009, at the time when the company name was CLONDIAG GmbH. The remaining inventor executed the same document in 2011.

8. As indicated above in the in the attached official excerpt, the registration number has remained as **HRB 207136**. The legal entity is the same, and only the name has changed.
9. All statements made herein of my knowledge are true and all statements made on information and belief are believed to be true; and further these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patents issued thereon.
