ASSIGNMENT
(Sole Inventor)

I am the person identified as the inventor and have contributed to a new and useful invention (the "Invention") described in the provisional or utility United States patent application and/or the patent application filed under the Patent Cooperation Treaty, as identified below. These patent application(s) are identified as follows:

Filing Type	Filing Country	Serial Number	Filing Date
NEWTON'S CRADLE			
PRV	UNITED STATES	62/506,675	5/16/2017
APPARATUS FOR DEMONSTRATING MECHANICAL IMPEDANCE			
PAT	UNITED STATES	15/981,304	5/16/2018

For good and valuable consideration, the receipt of which I hereby acknowledge, I do hereby sell, assign, and transfer to the WiSys Technology Foundation, Inc. ("WISYS"), a non-stock, non-profit, Wisconsin corporation, and to its legal representatives, successors and assigns, my entire right, title and interest in and to the Invention and to all United States provisional and utility applications as well as foreign patents or patent applications any of which cover all or part of the Invention. WISYS shall hold such right, title and interest as fully and completely as they would have been held by me had this assignment and sale not been made.

I further agree, upon WISYS's request, to execute any documents, including any separate assignments, declarations or other legal documents, that WISYS may find necessary or desirable in its exercise of the right, title and interest assigned above. I further agree to communicate to WISYS any facts relating either to the Invention or to any of the patent or patent applications based on the Invention that might be useful to WISYS and to testify about any such facts in any interferences or litigation, if requested by WISYS to do so. I shall do the above acts without additional compensation but at no expense to me.

Should the application number of any of the patent applications referenced above be unavailable the date that I execute this document, WISYS is authorized by me to insert the application number and filing dates of these patent applications into this document. WISYS is also specifically authorized to record this document as evidence of my assignment to WISYS of any subsequent United States patent application claiming priority from any of the above identified patent applications.
