ASSIGNMENT AND AGREEMENT

For value received, I, David Ernest Hartley residing at 2 View Street, Subiaco, 6008, Western Australia, hereby sell, assign, and transfer to **Cook Incorporated**, a corporation of the State of Indiana, having an office at 750 N. Daniels Way, Bloomington, IN, 47404, U.S.A., and its successors, assigns, and legal representatives, hereinafter collectively "Cook," and to **William A. Cook Australia Pty. Ltd.**, an Australian corporation, 12 Electronics Street, Brisbane Technology Park, Eight Mile Plains, Brisbane, Queensland 4113 Australia, and its successors, assigns, and legal representatives, hereinafter collectively "COOK AUSTRALIA", the entire right, title and interest, for the United States of America, in and to certain inventions related to "Introducer for a Side Branch Device " described in U.S. Application Serial No. 11/713,388 filed on March 2, 2007 which application claims subject matter disclosed in my earlier filed Provisional Application, Serial No. 60/778,571, filed March 2, 2006, and which application is a continuation-in-part of the pending application entitled "Introducer For An Iliac Side Branch Device" filed October 12, 2004, and assigned Serial No. 10/962,763 which claims subject matter disclosed in my earlier filed Provisional Application Serial No. 60/510,823, filed October 14, 2003, and Provisional Application Serial No. 60/601,485, filed August 13, 2004 and all the rights and privileges in said application and under any and all Letters Patent or any continuation, division, renewal, or substitute thereof, and any reissue or re-examination thereof that may be granted in the United States for said inventions; and I also concurrently hereby sell, assign and transfer to Cook and Cook Australia, either jointly or individually, the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

I authorize Cook and Cook Australia, either jointly or individually, to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Cook and Cook Australia, either jointly or individually, to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

I request that any and all patents for said inventions be issued to Cook and Cook Australia, either jointly or individually, in the United States and in all countries foreign to the United States, or to such nominees as Cook and Cook Australia, either jointly or individually, may designate.

I agree that, when requested, I shall, without charge to Cook, and Cook Australia, either jointly or individually, but at their expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
