CONFIRMATION OF OWNERSHIP/ASSIGNMENT

WHEREAS, Paul Ashley Denman, a British citizen of the United Kingdom, who resides at 57a Charnwood Road, Shepshed, Loughborough, Leicestershire, LE12 9NL, United Kingdom hereinafter called "Inventor", has made the invention(s) ("Invention(s)") described in a United States patent application entitled CHAMBER FED COMBUSTOR COWL, for a full description of which reference is here made to an application for Letters Patent of the United States filed on March 13, 2017 and assigned Application Serial No. 62/470,783;

WHEREAS, Loughborough University, a corporation organized and existing under the laws of the Country of United Kingdom, having an office at Ashby Road, Loughborough LE11 3TU, employed the inventor at the time the Invention(s) was made (Employer)

WHEREAS, the Inventor acknowledges that the Employer possesses all right, title, and interest in and to the Invention(s) and the Patent Application in accordance with United Kingdom law;

NOW, THEREFORE, the Inventor hereby confirms that the Employer owns all right, title and interest in the Invention(s) and the Patent Application and also confirms that any and all Patents granted for the Invention(s) in the United States of America and all other countries or regions, including any and all divisions, continuations, continuations-in-part of the Patent Application, reissues, reexaminations, or extensions of said Patents, also vest in the Employer, and that the Employer shall have the full right to claim for any such Patents all benefits and priority rights under any applicable convention, treaty, or legislation, and the right to sue and obtain relief, including damages, profits, and injunctions, for any infringement occurring before or after issuance of the Patents.

FURTHERMORE, to confirm full ownership by the Employer of the Invention(s), Patent Application, and Patents which may be granted for the Invention(s), even against a contrary determination by any authority, including courts of the United States or any other country for any reason, the Inventor hereby assigns, sells, and transfers to the Employer in exchange for compensation to the Inventor as required under United Kingdom law that is good, valuable, and legally sufficient, the receipt of which the Inventor hereby acknowledges, the entire right, title, and interest in and to the Invention(s) and the Patent Application, and any and all Patents in the United States of America and all foreign countries that may be granted for the Invention(s) or on the Patent Application, including any and all divisions, continuations, and continuations-in-part of the Patent Application, reissues, reexaminations, renewals, and extensions of said Patents, as well as the full right to claim for any such Patents all benefits and priority rights under any applicable convention, treaty, or legislation, and the right to sue and obtain relief, including damages, profits, and injunctions, for any infringement occurring before or after issuance of the Patents.

The Inventor hereby authorizes and requests each national Patent Office to issue the Patents to the Employer or to the successors, legal representatives, or assigns of the Employer.

IN WITNESS whereof, the Inventor has executed this Confirmation of Ownership and Assignment on the date shown below.
