ASSIGNMENT

WHEREAS I, the below named inventor, [hereinafter referred to as Assignor], have made an invention entitled:

APPARATUS AND METHODS FOR DETECTING INCREASE IN INTRACRANIAL PRESSURE

for which I filed United States provisional patent application no. 62/010,590 on June 11, 2014 and executed a non-provisional U.S. patent application claiming priority to U.S. Provisional Application No. 62/010,590 herewith; and

WHEREAS Nihon Kohden Corporation, a corporation of Japan, whose post office address is No. 31-4, Nishiochiai 1-chome, Shinjuku-ku, Tokyo, Japan (hereinafter referred to as Assignee), is desirous of securing the entire right, title, and interest in and to this invention in all countries throughout the world, and in and to the above-referenced provisional patent application and any applications for United States Letters Patent on this invention claiming priority to the above-referenced provisional patent application and any Letters Patent to be issued upon such applications;

NOW THEREFORE, be it known that, for and in consideration of the sum of One Dollar (\$1.00) in hand paid and other good and valuable consideration the receipt of which from Assignee is hereby acknowledged, I, as assignor, have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, MY entire right, title, and interest in and to this invention and this provisional application, and all non-provisional applications directed to this invention or claiming priority to this provisional application, divisions and continuations of such non-provisional applications, and all Letters Patent of the United States which may be granted thereon, and all reissues thereof, and all rights to claim priority on the basis of such applications, and all applications for Letters Patent which may hereafter be filed for this invention in any foreign country and all Letters Patent which may be granted on this invention in any foreign country, and all extensions, renewals, and reissues thereof; and I hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent of this invention to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, I HEREBY covenant that I have the full right to convey the interest assigned by this Assignment, and I have not executed and will not execute any agreement in conflict with this Assignment;

AND, I HEREBY further covenant and agree that I will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to ME respecting this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this invention in said Assignee, its successors or assigns, execute all non-provisional, divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for this invention in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns;

AND, WE HEREBY authorize and request the attorneys empowered by Nihon Kohden Corp. in this application, to insert here in parentheses (Application No. 14/737,461, filed June 11, 2015) the filing date and application number of said application when known.

IN TESTIMONY WHEREOF, I have hereunto set my hand.
