PATENT ASSIGNMENT

This Patent Assignment, effective as of July 12, 2018 (this "Patent Assignment"), is entered into by and between Affinity RMC, Inc., a Delaware corporation with a principal place of business at 1202 E. Dayton Yellow Springs Road, Fairborn, Ohio 45324 (the "Assignor"), and National Safety Apparel, Inc., an Ohio corporation with a principal place of business at 15825 Industrial Parkway, Cleveland, Ohio 44135 (the "Assignee").

WHEREAS, Assignor owns certain new and useful improvements as described and/or claimed in the issued patents and patent applications set forth in Schedule A, attached hereto (the "Patent Documents");

WHEREAS, as used herein, the "Inventions" means: (a) the Patent Documents; (b) any inventions which are disclosed but not claimed in the Patent Documents; (c) any and all improvements, developments, and modifications to the invention deriving from the Patent Documents; (d) any and all continuations, continuations-in-part, requests for continued examination, and all other applications which claim priority to the Patent Documents, including but not limited to any and all applications filed pursuant to 37 C.F.R. 1.53; and (e) any and all provisional applications, continuations, requests for continued examination, and all other applications, including but not limited to those applications filed under 37 C.F.R. 1.53, to which the Patent Documents claim priority;

WHEREAS, the Assignee desires to acquire the entire right, title and interest in the Inventions, and in any Patents obtained therefore and thereon;

WHEREAS, the Assignor and the Assignee are parties to that certain Purchase Agreement dated July 12, 2018, pursuant to which Assignee is acquiring certain assets of Assignor, including the Inventions and any Patents obtained therefore and thereon.

NOW, for good and valuable consideration received from the Assignee, receipt and sufficiency of which is hereby acknowledged, the Assignor assigns and transfers to the Assignee, the Assignor's entire right, title and interest in the Inventions, and all United States Patents which may be granted on the Inventions, and all reissues, reexaminations and extensions on the Inventions, and all priority rights under all available International Agreements, Treaties and Conventions in every participating country, and all applications for patents (including related rights such as utility-model registrations, inventor's certificates, and the like) filed for the Inventions in any foreign countries, and all patents granted for the Inventions in any foreign countries, and all reissues, reexaminations and extensions on the Inventions in any foreign country; the Assignor assigns and transfers to the Assignee the right to file applications on the Inventions in the United States and all foreign countries, and the Assignor authorizes and requests the United States Commissioner of Patents and Trademarks, and any officials of foreign countries whose duty it is to issue patents, to issue all patents for the Inventions to the Assignee in accordance with the terms of this Assignment;

AND, for the same consideration, the Assignor covenants that when requested, without charge to, but at the expense of the Assignee, to carry out in good faith the intent and purpose of this Assignment; the Assignor will disclose, or cause to be disclosed, all facts known to the Assignor relating to the Inventions and their histories; the Assignor will testify in all legal proceedings, and do everything possible which the Assignee may reasonably consider desirable for aiding in securing, maintaining and enforcing proper patent and intellectual property protection for the Invention, including but not limited to executing all rightful oaths, assignments, powers of attorney and other papers, as necessary, and the Assignor irrevocably appoints the Assignee as the Assignor's attorney in fact with power to execute on the Assignor's behalf any and all documents necessary to carry out the terms of this Assignment. The Assignor covenants with the Assignee that the Assignor has made no other assignment, grant, mortgage, license or other agreement affecting the rights and property conveyed here, and that the Assignor has full right to convey their entire right, title and interest as expressed in this Assignment;
