WITNESSETH: That,

WHEREAS, we are joint inventors of certain new and useful improvements in **AUTOMATED PLANNING SYSTEMS FOR PEDICLE SCREW PLACEMENT AND RELATED METHODS** for which U.S. Provisional Application No. 62/543,738 was filed on August 10, 2017 in the United States Patent and Trademark Office; and

WHEREAS, **Sectra AB**, a corporation organized under the laws of the country of Sweden, having a principal place of business at Teknikringen 20, SE-583 30 Linköping, Sweden, hereinafter referred to as Assignee, is desirous of acquiring the entire right, title and interest in and to said invention as described in said provisional application, and in and to any and all Letters Patent which shall be granted therefor in the United States of America and all foreign countries;

NOW, THEREFORE, To Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we have sold and by these presents do hereby sell, assign, transfer, and convey unto the said Assignee, its successors and assigns, the entire right, title, and interest in and to the said invention and provisional application, and in and to any and all subsequent patent applications which claim the benefit of priority from said provisional application including regular utility, continuations, and continuations-in-part, or divisions thereof, and in and to any and all Letters Patent of the United States of America and all foreign countries or reissues or other forms of protection thereof which may be granted for the invention in or on applications claiming the benefit of priority from said provisional application, for the full end of the term for which said Letters Patent may be granted along with any term extensions thereof or therefor, together with the right to claim the benefit of priority from said application in all foreign countries in accordance with the International Convention, the same to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by us if this assignment and sale had not been made.
