ASSIGNMENT

IN CONSIDERATION OF TEN DOLLARS (\$10.00) and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, we, Hendra Wijaya and Marcus Pestl, ("ASSIGNORS"), being joint inventors and having made an invention in Solar Light Device with Cable Organizer while in the employ of Forever Gifts, Inc., a company organized and existing under the laws of the State of Texas, with a mailing address of 618 North Southwest Parkway, Arlington, Texas 76011 (sometimes hereinafter called "ASSIGNEE"), do hereby ASSIGN, SELL and CONVEY to said ASSIGNEE, its successors and assigns, the entire right, title and interest throughout the world in and to:

1. Said invention in Solar Light Device with Cable Organizer;
2. United States of America non-provisional patent application on said invention, filed as U.S. Patent Application Serial No. 15/863,563 on January 5, 2018 (Attorney's File No. 2695.0021), entitled Solar Light Device with Cable Organizer;
3. All applications for patent or like protection on said invention that have now been or may in the future be made by us or our legal representatives, including any non-provisional, divisional, continuation, continuation-in-part and any other utility applications that may be based on this invention, whether in the United States of America or any other place anywhere in the world;
4. All patents and like protection that have now been or may in the future be granted on said invention to us or our legal representatives, whether in the United States of America or in any other country or place anywhere in the world;
5. All substitutions for and divisions, continuations, continuations-in-part, renewals, reissues, extensions, and the like of said applications and patents and like grants, including without limitations, those obtained or permissible under past, present and future law and statutes;

6. All rights of action on account of past, present and future unauthorized use of said invention for infringement of said patents and like protection;
7. The right to ASSIGNEE to file in its name applications for patents and like protection for said invention in the United States and in any country or countries foreign to the United States; and
8. All international rights of priority associated with said invention, applications, patents and like protection;

and we covenant that we, our heirs, legal representatives, assigns, administrators, and executors will at the expense of ASSIGNEE, its successors and assigns, execute all papers and perform such other acts as may be reasonably necessary to give ASSIGNEE, its successors and assigns, the full benefit of this Assignment.
