ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we, Adam SMITH, Paul PUMM, Thomas BUCHANAN, and Gary MOORE, do hereby sell, assign and transfer to Watson Bowman Acme Corporation, a corporation organized and doing business under the laws of the State of Delaware, having a principal place of business at 95 Pineview Drive, Amherst, New York, 14228, USA, its successors and assigns, the entire right, title and interest, in and for the United States, its territories and possessions, and all countries foreign to the United States, in and to the invention

EXPANSION JOINT SYSTEM

invented by us and described in United States Provisional Application For Patent Serial No. 62/573,426, filed October 17, 2017, and which bears attorney docket number WBA.P171091P, (1) any and all United States applications claiming the benefit of the filing date under 35 U.S.C. § 119(e) from said United States Provisional Application For Patent, (2) all applications for United States Letters Patent, (3) all continuations, continuations-in-part and divisions thereof (including further continuations and divisions such as, but not limited to, continuations of continuations and divisions of continuations of continuations), (4) all United States Letters Patent which may be issued and/or granted on all such applications, (5) all applications for reissues and extensions of and reexamination certificates for all such United States Letters Patent, (6) all reissues, renewals, and extensions of and reexamination certificates issued for all such United States Letters Patent, (7) all applications for Letters Patent therefor in all countries and territories of the world (including all applications for divisions of such applications), (8) all Letters Patent which may be granted and/or issued therefor in all of said countries and territories (including all modifications and extensions thereof and supplemental protection certificates relating thereto), and (9) the right to and full benefit of such priorities as may now or hereafter be granted to us by local laws or by treaty, including any international convention for the protection of industrial property, the said interest being the entire ownership of said invention and all of said applications, all Letters Patent (including reissue Letters Patent), and extensions, reissues and reexamination certificates to be held and enjoyed by Watson Bowman Acme Corporation and its successors and assigns to the full end of the terms to which said Letters Patent (including reissue Letters Patent), extensions, reissues

and reexamination certificates may be granted and/or issued, as fully and entirely as the same would have been held and enjoyed by us if this sale, assignment and transfer had not been made.

We hereby authorize and request the Director of the United States Patent and Trademark Office to issue all United States Letters Patent on said invention and application, or applications resulting therefrom, to Watson Bowman Acme Corporation, as assignee of the entire right, title and interest.

We hereby agree that during and/or subsequent to our employment or contract we will sign and/or execute any further documents and/or instruments which may be necessary, lawful and proper in and/or for the filing and/or prosecution in the United States and all countries foreign thereto of all of said applications for said Letters Patent (including reissue Letters Patent), extensions and reexamination certificates, and/or the granting and/or issuance thereof, and/or to otherwise secure and maintain title to said invention, all of said applications, all of said Letters Patent (including reissue Letters Patent), all extensions, and all reexamination certificates in Watson Bowman Acme Corporation.
