ASSIGNMENT

WHEREAS, we, **Alon Grinbaum** and **Ken Y. Chan** (hereinafter referred to as **ASSIGNORS**), along with **Viviana Gradinaru**, are joint inventors of an invention entitled "**Methods and Devices for Soft and Osseous Tissue Clearing and Fluorescent Imaging**", as described and claimed in the specification forming part of an application for United States letters patent filed **January 18, 2018**, as United States Patent Application No. **15/874,673** and which claims priority to U.S. Provisional Application No. **62/447,781** filed **January 18, 2017**; and

WHEREAS, **California Institute of Technology**, a Non-Profit Corporation of the State of California, having a place of business at 1200 East California Blvd., Mail Code 6-32, Pasadena, CA 91125 (hereinafter referred to as **ASSIGNEE**) is desirous of acquiring our entire right, title and interest in and to the invention and in and to any letters patent that may be granted therefor in the United States and in any and all foreign countries;

NOW, THEREFORE, in exchange for good and valuable consideration, the receipt of which is hereby acknowledged, **ASSIGNORS** hereby sell, assign and transfer unto said **ASSIGNEE**, the entire right, title and interest in and to said invention, said application and any and all letters patents which may be granted for said invention in the United States of America and its territorial possessions and in any and all foreign countries, and in any and all divisions, reissues and continuations thereof, including the right to file foreign applications directly in the name of **ASSIGNEE** and to claim priority rights deriving from said United States application to which said foreign applications are entitled by virtue of international convention, treaty or otherwise, said invention, application and all letters patents on said invention to be held and enjoyed by **ASSIGNEE** and its successors and assigns for their use and benefit and of their successors and assigns as fully and entirely as the same would have been held and enjoyed by **ASSIGNORS** had this assignment, transfer and sale not been made. **ASSIGNORS** hereby authorize and request the Commissioner for Patents and Trademarks to issue all letters patents on said invention to **ASSIGNEE**. **ASSIGNORS** agree to execute all instruments and documents required for the making and prosecution of applications for United States and foreign letters patents on said invention, for litigation regarding said letters patents, or for the purpose of protecting title to said invention or letters patents therefor.
