WHEREAS, BIAL-PORTELA & C^a, S.A., À Av. Da Siderurgia Nacional, P-4745-457 S. Mamede Do Coronado, Portugal (ASSIGNEE) wants to and is entitled to acquire the entire right, title and interest in and to PCT/PT2013/000048, the subject matter described in PCT/PT2013/000048, and any patents that may be granted on or as a result thereof in the United States of America (U.S.) and in any and all foreign countries;

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, we hereby confirm that our entire and exclusive right, title, and in and to PCT/PT2013/000048, the subject matter disclosed therein, all applications claiming priority to PCT/PT2013/000048, and any patents which may hereafter be granted on the same in all countries throughout the world, including any divisions, continuations in whole or in part, reissues, and reexaminations ("Letters Patent"), was vested in the ASSIGNEE by the July 24, 2013 filing date of PCT/PT2013/000048, said rights, title, and interest to be held and enjoyed by ASSIGNEE to the full end term of such patents.

And we covenant that we had the full right to convey this entire interest and that we have not executed and will not execute any agreement or do anything in conflict herewith;

And we further covenant and agree that WE will without undue delay execute without further consideration all such papers as may be necessary to perfect the title to said application, inventions and improvements, and Letters Patent in the ASSIGNEE, and we agree to communicate to said ASSIGNEE all known facts respecting said application, inventions, improvements, and Letters Patent, to testify in any legal proceedings, to sign all

lawful papers, and generally to do all things necessary to aid ASSIGNEE to obtain and enforce for their own benefit patent protection for said application, inventions and improvements in any and all countries, all at the expense, however, of the ASSIGNEE; and

And we authorize the ASSIGNEE to file in our name or its own, as appropriate, application for Letters Patent in any and all countries of the world, and we authorize and request the proper official in these countries to issue to said ASSIGNEE any and all Letters Patent for said application, inventions and improvements, for their sole use, to the full end of the term for which such Letters Patent may be granted.
