## PATENT ASSIGNMENT

WHEREAS, I, Randi Wilcox, a citizen of the United States (hereinafter ASSIGNOR), have invented certain new and useful improvements relating to a TABLE, as disclosed and claimed in U.S. Patent Application No. 29/650,928, filed on June 11, 2018;

WHEREAS, Assa Group, Inc., d/b/a Enwork, a Michigan corporation having a principal place of business at 12900 Christopher Drive, Lowell, Michigan 49331, United States (hereafter ASSIGNEE), desires to acquire a one hundred (100%) percent interest in and to said invention(s) and the patent application(s);

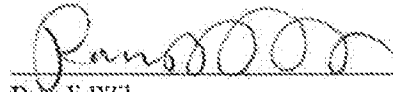

NOW, THEREFORE, for and in consideration of the sum of One Dollar (\$1.00) and other good and valuable considerations, receipt whereof is hereby acknowledged, the undersigned by these presents does sell, assign and transfer unto ASSIGNEE, its successors, assigns and personal representatives, all of his right, title and interest in the United States of America and all foreign countries in and to his interest in said inventions as described in the aforementioned patent application and to any improvements on said inventions heretofore or hereinafter made, and to any divisional or continuing applications emanating therefrom, and any foreign counterparts of said applications, and all patents, United States and foreign, granted upon any such applications or for the inventions described therein, and any reissues or extensions of said patents; I hereby authorize and request the Commissioner of Patents and Trademarks to issue all patents on said application(s) reflecting the ownership interest as the one hundred (100%) percent assignee thereof;

ASSIGNOR hereby covenants that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment;

ASSIGNOR further covenants that ASSIGNEE will, upon its request, be provided promptly with all pertinent facts and documents relating to said inventions and said Letters Patents

and legal equivalents as may be known and accessible to ASSIGNOR and will testify as to the same in any interference, litigation or proceeding related thereto and will promptly execute and deliver to ASSIGNEE or its legal representatives any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue and enforce said invention and said Letters Patent and said equivalents thereof which may be necessary or desirable to carry out the purposes thereof;

For said consideration I hereby covenant and agree that I am the owner of a 100% interest in the patent application identified above and have the right to assign the same, and agree that I will communicate to ASSIGNEE or its representatives, any facts known to me regarding said invention or inventions and testify in any legal proceedings relating thereto when called upon, and will sign all instruments and documents and render such assistance which in the judgment of ASSIGNOR is necessary to vest in it and protect the legal title sought to be assigned.

  
Randi Wilcox
