ASSIGNMENT

WHEREAS, I, Timothy R. BRAHM ("Assignor"); residing at 2309 Duntreath Road, Germantown, TN 38139, has made certain new and useful inventions and improvements as evidenced by patent applications and Letters Patent as set forth in Exhibit I;

AND WHEREAS, Brahm Holdings, LLC, a Delaware limited liability company, located at 2309 Duntreath Road, Germantown, TN 38139 (hereinafter "Assignee"), is desirous of acquiring the entire right, title and interest in and to said inventions, improvements, patent applications and in and to the Letters Patent to be obtained therefor set forth in Exhibit I;

NOW, THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt and sufficiency whereof is hereby acknowledged, Assignor has sold, assigned, set over, and transferred, and by these presents do sell, assign, set over and transfer unto said Assignee, its successors or assigns, the entire right, title and interest in and to said inventions and improvements, the right to file applications for all countries in and to all inventions and improvements disclosed in the aforesaid application, the entire right, title and interest in and to the said application, any and all other applications for Letters Patent on said inventions and improvements, including all provisional, nonprovisional, divisional, continuation, continuation-in-part, and renewal applications based in whole, or in part, upon said inventions or improvements, or upon said applications, and all Letters Patent which may be granted therefrom, and all reissues, reexaminations, or extensions of such patents, and in and to any and all applications which have been or shall be filed in any foreign countries for Letters Patent on the said inventions and improvements, including an assignment of all rights under the provisions of the International Convention, and all Letters Patent of foreign countries which may be granted therefrom; and I/we do hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all United States Letters Patent for the aforesaid inventions and improvements to the said Assignee as the assignee of the entire right, title and interest in and to the same, for the use of the said Assignee, its successors and assigns.

AND, for the consideration aforesaid, Assignor does hereby agree that I and my executors and legal representatives will make, execute and deliver any and all other instruments in writing including any and all further application papers, affidavits, assignments and other documents, and will communicate to said Assignee, its successors and representatives all facts known to us relating to said improvements and the history thereof and will testify in all legal proceedings and generally do all things which may be necessary or desirable more effectually to secure to and vest in said Assignee, its successors or assigns the entire right, title and interest in and to the said improvements, inventions, applications, Letters Patent, rights, titles, benefits, privileges and advantages hereby sold, assigned and conveyed, or intended so to be.

AND, furthermore, Assignor covenants and agrees with said Assignee, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and

property herein conveyed has been made to others by me and that full right to convey the same as herein expressed is possessed by me.

AND, Assignor does hereby authorize and request the attorneys of Brinks Gilson & Lione to insert in the spaces provided above the filing date, application number, and attorney's docket number of said applications and patents when known.

IN WITNESS WHEREOF, I/we declare and acknowledge the foregoing by executing my signature below:

IN TESTIMONY WHEREOF, I have hereunto set my hand this 19th day of January, 2017.

A handwritten signature in black ink, appearing to read 'T. Brahm', is written over a horizontal line.

Timothy R. Brahm
