ASSIGNMENT

WHEREAS, I, Matthew Kesinger, residing at 100 Denniston #66, Pittsburgh, PA 15206, have invented certain new and useful apparatus, inventions, discoveries and/or improvements disclosed in a patent application entitled "ELECTRODE ARRAY APPARATUS, NEUROLOGICAL CONDITION DETECTION APPARATUS, AND METHOD OF USING THE SAME", which was filed on July 16, 2018 in the United States Patent and Trademark office and assigned U.S. Patent Application Serial No. 16/035,756 (hereinafter the "application") which claims priority to U.S. Provisional Patent Application No. 62/648,559 filed March 27, 2018, U.S. Provisional Patent Application No. 62/618,273 filed January 17, 2018 and U.S. Provisional Patent Application No. 62/533,738 filed July 18, 2017.

AND WHEREAS, Forest Devices, Inc., having a place of business at 544 Miltenberger Street, Pittsburgh, PA 15219 (hereinafter the "Assignee") is desirous of acquiring the entire right, title and interest in and to said application and the apparatus, inventions, discoveries, and improvements therein disclosed;

NOW THEREFORE, in consideration of my employment with Assignee, and other good and valuable consideration paid to me by said Assignee, receipt whereof I hereby acknowledge, I do hereby assign, sell, transfer, and set over unto said Assignee the entire right, title, and interest in and to said application(s) and the apparatus, inventions, discoveries and improvements therein disclosed for the United States of America and its territories and all foreign countries and any Letters Patent which may issue therefor in the United States and its territories and all foreign countries and all divisions, reissues, continuations, continuations-in-part, renewals, and/or extensions thereof, including the right to apply for Letters Patents in each foreign country and the United States of America and its territories, in its own name and to claim any and all priority rights under the International Convention, other conventions, treaties, or otherwise associated therewith for each country and the United States of America and its territories, said Assignee to have and to hold the interests herein assigned to the full ends of the terms of said Letters Patent and any and all divisions, reissues, continuations, continuations-in-part, renewals, and/or extensions thereof, respectively, as fully and entirely as the same would have been held and enjoyed by us had this Assignment not been made.

The Commissioner of Patents and Trademarks is requested to issue such Letters Patent in accordance herewith. I covenant that I am the lawful owner of the said application(s), apparatus, inventions, discoveries and improvements, that the same are unencumbered, that no license has been granted to make, use, or vend the said apparatus, inventions, discoveries or improvements or any of them, and that we have the full right to make this Assignment.

And for said consideration, I agree individually that I will communicate to said Assignee or the representatives thereof any facts known to me respecting said apparatus, inventions, discoveries and improvements, and will, upon request, testify in any legal proceedings, sign all lawful papers, execute all divisional, reissue, continuation, continuation-in-part, renewal, and/or extension applications, make all rightful oaths, and generally do all other and further lawful acts, deemed necessary or expedient by said Assignee or by counsel for said Assignee, to assist or enable said Assignee to obtain and enforce full benefits from the rights and interests herein

assigned, and, in the event of any application or Letters Patent assigned herein becoming involved in an inter partes review or other type of post grant proceeding to cooperate to the best of the ability of the undersigned in giving and producing evidence in support thereof. This Assignment shall be binding upon my heirs, executors, administrators, and/or assigns, and shall inure to the benefit of the heirs, executors, administrators, successors, and/or assigns, as the case may be, of said Assignee.

Also, I hereby authorize and request Ralph G. Fischer, of Buchanan Ingersoll & Rooney PC (having an office at 301 Grant St., 20th floor, Pittsburgh, PA 15219), to insert herein the filing date and application number of the application when known.

And for said consideration, the undersigned hereby agrees to execute, at the request of said Assignee, all documents in connection with any application for foreign letters patent therefor.

ASSIGNMENT

WHEREAS, I, Carmelo Montalvo residing at 1114 Berkshire Avenue, Pittsburgh PA 15219, have invented certain new and useful apparatus, inventions, discoveries and/or improvements disclosed in a patent application entitled "ELECTRODE ARRAY APPARATUS, NEUROLOGICAL CONDITION DETECTION APPARATUS, AND METHOD OF USING THE SAME", which was filed on July 16, 2018 in the United States Patent and Trademark office and assigned U.S. Patent Application Serial No. 16/035,756 (hereinafter the "application") which claims priority to U.S. Provisional Patent Application No. 62/648,559 filed March 27, 2018, U.S. Provisional Patent Application No. 62/618,273 filed January 17, 2018 and U.S. Provisional Patent Application No. 62/533,738 filed July 18, 2017.

AND WHEREAS, Forest Devices, Inc., having a place of business at 544 Miltenberger Street, Pittsburgh, PA 15219 (hereinafter the "Assignee") is desirous of acquiring the entire right, title and interest in and to said application and the apparatus, inventions, discoveries, and improvements therein disclosed;

NOW THEREFORE, in consideration of my employment with Assignee, and other good and valuable consideration paid to me by said Assignee, receipt whereof I hereby acknowledge, I do hereby assign, sell, transfer, and set over unto said Assignee the entire right, title, and interest in and to said application(s) and the apparatus, inventions, discoveries and improvements therein disclosed for the United States of America and its territories and all foreign countries and any Letters Patent which may issue therefor in the United States and its territories and all foreign countries and all divisions, reissues, continuations, continuations-in-part, renewals, and/or extensions thereof, including the right to apply for Letters Patents in each foreign country and the United States of America and its territories, in its own name and to claim any and all priority rights under the International Convention, other conventions, treaties, or otherwise associated therewith for each country and the United States of America and its territories, said Assignee to have and to hold the interests herein assigned to the full ends of the terms of said Letters Patent and any and all divisions, reissues, continuations, continuations-in-part, renewals, and/or extensions thereof, respectively, as fully and entirely as the same would have been held and enjoyed by us had this Assignment not been made.

The Commissioner of Patents and Trademarks is requested to issue such Letters Patent in accordance herewith. I covenant that I am the lawful owner of the said application(s), apparatus, inventions, discoveries and improvements, that the same are unencumbered, that no license has been granted to make, use, or vend the said apparatus, inventions, discoveries or improvements or any of them, and that we have the full right to make this Assignment.

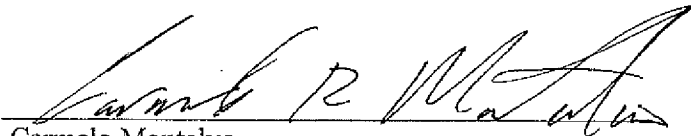

And for said consideration, I agree individually that I will communicate to said Assignee or the representatives thereof any facts known to me respecting said apparatus, inventions, discoveries and improvements, and will, upon request, testify in any legal proceedings, sign all lawful papers, execute all divisional, reissue, continuation, continuation-in-part, renewal, and/or extension applications, make all rightful oaths, and generally do all other and further lawful acts, deemed necessary or expedient by said Assignee or by counsel for said Assignee, to assist or enable said Assignee to obtain and enforce full benefits from the rights and interests herein

assigned, and, in the event of any application or Letters Patent assigned herein becoming involved in an inter partes review or other type of post grant proceeding to cooperate to the best of the ability of the undersigned in giving and producing evidence in support thereof. This Assignment shall be binding upon my heirs, executors, administrators, and/or assigns, and shall inure to the benefit of the heirs, executors, administrators, successors, and/or assigns, as the case may be, of said Assignee.

Also, I hereby authorize and request Ralph G. Fischer, of Buchanan Ingersoll & Rooney PC (having an office at 301 Grant St., 20th floor, Pittsburgh, PA 15219), to insert herein the filing date and application number of the application when known.

And for said consideration, the undersigned hereby agrees to execute, at the request of said Assignee, all documents in connection with any application for foreign letters patent therefor.
