~~ASSIGNMENT BY INVENTOR~~

WHEREAS, we, Eugenio Varona, a citizen of the United States of America, having a residence address of 3309 Woodrun Trail, Marietta, Georgia 30062; Andrew Wright, a citizen of the United Kingdom, having a residence address of 5 Warren Close, Firsley S45 8ES, Derbyshire, United Kingdom; and Dennis Smid, a citizen of the Netherlands, having a residence address of Margrietstraat 21, 8471 RC Wolvega, Netherlands (hereinafter the “Assignors”), are the inventors and owners of a certain new and useful invention(s) (hereinafter “Invention (s)”) and improvement(s) entitled “Absorbent Material, and System and Method of Making Same”, as set forth in PCT International Application No. PCT/US2018/019790, filed on February 26, 2018 (“PCT Application”), which claims priority to United States Application No. 62/463,714, filed on February 26, 2017, and United States Application No. 62/482,277, filed on April 6, 2017 (“Provisional Applications”), and as set forth in U.S. Application for Letters of Patent of the United States, already filed on February 26, 2018, as U.S. Application No. 15/905,813 (“Utility Application”), (collectively said “Filed Application” and said “Inventions” or “Invention”).

WHEREAS, DSG Technology Holdings Ltd. a corporation organized under and pursuant to the laws of the British Virgin Islands having its principal place of business at Room 1505, Millennium Trade Centre, 561 Wai Cheong Road, Wai Chung Hong Kong (hereinafter “the Assignee”), is desirous of acquiring the entire right, title and interest in and to said Invention(s) and in and to any United States or corresponding foreign, international, or regional application (including any PCT International Application and any Regional Applications such as an EPO Patent Application) claiming or applied for (now or in the future) the Invention and any Letters Patent to be obtained therefor and thereon (to the extent any such right, title, and interest have not been previously acquired and transferred to Assignee).

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient consideration, the receipt and sufficiency of which are hereby acknowledged, the

each undersigned Assignor has sold, assigned, transferred and set over, and by these presents do sell, assigns, transfers and sets over unto Assignee, its successors, legal representatives and assigns (to the extent Assignor has not previously and already so sold, assigned, transferred, or set over unto Assignee) Assignor's entire right, title and interest (including the right to sue for past infringement) in and to the following:

(a) said Invention and improvements and worldwide rights therein;

(b) said Provisional Applications: United States Provisional Application No. 62/463,714 filed on February 26, 2017 and United States Provisional Application No. 62/482,277 filed on April 6, 2017; both titled "Absorbent Material, and System and Method of Making Same";

(c) said Utility Application: United States Non-Provisional Application No. 15/905,813 filed on February 26, 2018; titled "Absorbent Material, and System and Method of Making Same"; and

(d) said PCT Application: PCT International Application No. PCT/US2018/019790 filed on February 26, 2018; titled "Absorbent Material, and System and Method of Making Same".

(e) any United States or corresponding foreign, regional (including any patent application filed with the European Patent Office) or international patent application claiming or applied for (now or in the future) the Inventions, or claiming priority to, or the benefit of the filing date of, (now or in the future) the Invention or any corresponding U.S., foreign, regional, or international application (including any PCT applications) related and directed to the Inventions, including all divisions, continuations, continuations-in-part and substitutions thereof; and

(f) any and all United States and foreign patents which shall issue on said Inventions or from any of the above-identified applications ((a) - (e)) including all reissues,

reexaminations, renewals, divisions, continuations, and extensions thereof, for the United States, its territories and possessions and all foreign countries, regional and international patent offices, including the right to file applications for Letters Patent on said Inventions, and any of the aforementioned applications (in (a) – (e)) in any and all foreign countries and any other patent office, and every priority right that is or may be predicated upon or arise from said Inventions or said aforementioned application, and the right to sue for past infringements, the same to be held and enjoyed by said Assignee, its assigns and successors, as fully and entirely as the same would have been held and enjoyed by me, had this Assignment and sale not been made.

AND for the same consideration, Assignor hereby represents and warrants to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignor is the sole and lawful owner of Assignor's entire right, title and interest in and to the said Inventions and said applications for Letters Patent above-mentioned (to the extent not already transferred to and held by Assignee), and that the same are unencumbered and that Assignor has good and full-right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignor hereby covenants and agrees to and with Assignee, its successors, legal representatives and assigns, that Assignor will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patents and applications for Letters Patent for said Inventions, without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said Inventions, or any proceeding in connection with any Letters Patents or applications for Letters Patent for said Inventions in any country or patent office, including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Letters Patent, or any

reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND Assignor hereby requests the Commissioner of Patent and Trademarks to issue said Letters Patents of the United States to Assignee, and any official or any other country or regional patent office empowered to issue Patents, as Assignee of said Inventions and the Letters Patents to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

AND Assignor hereby authorizes the Assignee to file patent applications in any and all countries, or patent offices (including regional offices and any regional or international applications, (e.g. PCT)).

AND Assignor hereby grants the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:
