### **Whereas:**

Designer has undertaken to create certain new designs for industrial products for Philips Lighting and Designer has delivered to Philips Lighting certain design(s) as specified in Annex A (these designs, together with all sketches, intermediary materials and related artwork are hereinafter referred to as "the Designs").

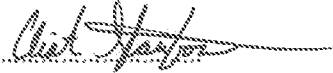

Now therefore, the Designer hereby confirms as follows:

4. Philips Lighting shall not be obliged to commercialize the Designs, nor to use Designer's name in connection with the Designs or the exploitation thereof.
5. At the request and expense of Philips Lighting, Designer shall provide all assistance and execute all documents that Philips Lighting may require in connection with the registration, maintenance, defense and enforcement of its rights in the Designs. Designer hereby authorizes Philips Lighting to appoint representatives to act on Designer's behalf in connection with the registration of the Designs.
6. Designer has received appropriate compensation from Philips Lighting (or any of Philips Lighting's affiliates) in respect of the creation of the Designs and this assignment. Designer will not be entitled to any additional compensation in connection with the exploitation of the Designs by Philips Lighting, Philips Lighting's affiliates, assignees, licensees or other nominees.
7. This Deed of Assignment cannot be rescinded or revoked.
