PATENT ASSIGNMENT

Whereas, John Baumgartner and Matthew Baumgartner ("Assignors"), has been assigned all the rights, interest, title and privileges of all of the inventors in the following patents, and all reissue, divisional, continuation and continuation-in-part applications thereof, including all of the inventors' entire rights under any international convention, and all inventions disclosed and discussed therein U.S. Patent Nos. 8,460,430; 8,690,989; and 9,403,171.

Whereas EPI AIR, LLC ("Assignee") is desirous of acquiring the entire right, title and interest in and to said patents,

Now, therefore, for good and valuable consideration, the sufficiency and adequacy which is expressly acknowledged, Assignors have sold, assigned, and transferred pursuant to this agreement, and by these presents does hereby sell, assign, and transfer unto Assignee, its successors and assigns, its entire right, title and interest in and to said patents and all reissue, divisional, continuation-in-part, and continuation applications thereof, both foreign and domestic, that may or shall issue or claim priority based thereon, including all of its entire rights under any international convention and all inventions disclosed and discussed therein.

Upon said consideration, Assignors, their successor and assigns do hereby covenant and agree with the Assignee, its successors and assigns, that Assignors, their successor and assigns, will not execute any writing or do any act whatsoever conflicting with these presents and that Assignors, their successor and assigns, will at any time upon requests, without further consideration, but at the expense of the Assignee, their successor, or assigns, execute such additional writings and do such additional acts as said Assignee, their successors, or assigns, may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuation, continuation-in-part, reissued, or extended patents of the United States, or of any and all foreign countries on said invention, and in enforcing any rights occurring as a result of such patents, by giving testimony in any proceedings or transactions involving such applications or patents.

IN WITNESS WHEREOF, John Baumgartner and Matthew Baumgartner have signed this Agreement on the date set forth below, and wherein this Assignment becomes effective on the date set forth below.
