Serial No. 15/915,061 Filed 03/07/2018 ;

ASSIGNMENT

WHEREAS,

I, Hitoshi Ota of 9150 Hendricks Rd., Mentor, OH 44060 US ; and

I, Harold David Myers, Jr. of 9150 Hendricks Rd., Mentor, OH 44060 US ;

have invented certain improvements in **SEMI-ACTIVE ANTENNA STARTING AID FOR HID ARC TUBES**, disclosed in the patent application(s) described hereinabove by the serial number and filing date, having been executed by the undersigned for filing in The United States of America, being a co-owner of all right, title and interest in and to said application and in and to any one or more invention(s) described therein, and having full right to convey the entire interest both legal and equitable herein assigned; and

WHEREAS, Eye Lighting International of North America, Inc. of 9150 Hendricks Rd., Mentor, OH 44060 USA is desirous of acquiring the entire right, title and interest in and to said applications and any and all said one or more invention(s) described therein and any and all patents to be obtained therefore in the United States and in any and all foreign countries, all as hereinafter set forth:

NOW, THEREFORE, in consideration of good and valuable consideration received by the undersigned, the undersigned does (do) hereby sell, assign, transfer and set over unto said assignee, its successors and assigns, the entire right, title and interest in and to said invention or inventions, as described in the aforesaid application, in any form or embodiment thereof, and in and to the aforesaid application; and in and to any application filed in any foreign country based thereon, including the right to file said foreign applications under the provisions of the International Convention; also the entire right, title and interest in and to any and all patents or reissues or extensions thereof to be obtained in this or any foreign country upon said invention or inventions and any divisional, continuation, continuation-in-part or substitute applications which may be filed upon said invention or inventions in this or any foreign country; and the undersigned hereby authorize(s) and request(s) the issuing authority to issue any and all patents on said application or applications to said assignee or its successors and assigns.

The undersigned further agree(s) to execute all non-provisional, divisional, continuing, substitute, improvement, extension, reissue and other patent applications in this or any foreign country relating to said application or invention and to sign all other lawful papers and to perform all other lawful acts without further consideration, but without expense to myself (ourselves), which the assignee may deem necessary or desirable to make this Assignment fully effective including by way of example, but not of limitation, the following acts:

- (1) Prompt execution of all lawful oaths, affidavits and/or supplemental oaths required or deemed advisable by the assignee to further the prosecution of any application or applications for letters patent relating to the subject matter of this Assignment;

- (2) To co-operate to the best of my (our) ability in the execution of all lawful documents, the production of evidence, and the giving of testimony in interference, opposition, nullification or infringement proceedings involving the said invention or improvement, applications or patents or any of them.

IN WITNESS WHEREOF, the undersigned has/have hereunto set his/her hand and seal on the date set after his/her signature.
