ASSIGNMENT

WHEREAS, I, **Gerd Ritter** of New York, NY, and a citizen of Germany, have invented certain new and useful inventions, described in the patent application(s) identified in Exhibit A hereto; and

WHEREAS, **Ludwig Institute for Cancer Research Ltd**, a corporation of Switzerland, having its principal place of business at Stadelhoferstrasse 22, Zurich 8001, Switzerland, is desirous of acquiring all rights, title, and interest in and to said inventions, said application(s), and in and to any and all Letters Patents which may be granted for or upon said inventions and application(s) in the United States of America and anywhere in the world.

NOW THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I, **Gerd Ritter**, have sold, assigned and transferred, and hereby sell, assign and transfer unto the said **Ludwig Institute for Cancer Research Ltd**, the full and exclusive rights, title, and interest, throughout the world, in, to and under the following:

- (a) all inventions as set forth and described, for example, in the patent application specification(s) identified in Exhibit A;
- (b) all patent application(s) identified in Exhibit A;
- (c) any and all patent applications, including Patent Cooperation Treaty (PCT) applications, and any and all applications for utility models, directed to the inventions as set forth and described, for example, in the patent application specification(s) identified in Exhibit A;
- (d) any and all refilings, divisionals, continuations, and continuations-in-part of those patent applications and applications for utility models;
- (e) any and all patents of the United States of America which may issue from any of the above items;
- (f) any and all reissue and reexamination certificates of those patents;

- (g) any and all applications for the inventions filed in any and all countries foreign to the United States of America;
- (h) any and all refilings, divisionals, and continuations of those foreign-filed applications;
- (i) any and all patents, certificates, registrations, and utility models of countries foreign to the United States of America which may issue from those foreign-filed applications, refilings, divisionals, and continuations;
- (j) any and all extensions of, and additions to, the foreign-filed applications and patents, certificates, registrations, utility models, and applications for utility models related thereto;
- (k) the right to claim priority to any of the foregoing; and
- (l) any and all claims, causes of action, and damages for past, present, and future infringement or other unauthorized use of the above items, along with the right to sue and to collect damages and other relief from any and all parties.

I, **Gerd Ritter**, further agree that we will promptly execute and deliver to **Ludwig Institute for Cancer Research Ltd** or its legal representatives any and all papers, instruments, and affidavits required to apply for, obtain, maintain, issue, and enforce all of the items listed above.

All of the above shall be held and enjoyed by **Ludwig Institute for Cancer Research Ltd** and its successors, legal representatives, and assigns for their own use and benefit, for the full term for which the protections listed above may be granted, and I, **Gerd Ritter**, authorize and request the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Patents granted for said inventions, whether on an application for said invention set forth in Exhibit A, or on any subsequently filed provisional, non-provisional, divisional, continuation, continuation-in-part, reissue, or other related application, to **Ludwig Institute for Cancer Research Ltd**, its successors and assigns, as the assignee of their entire interest in said inventions and applications.
