ASSIGNMENT

WHEREAS, I, Mark D. Reed, of St. Louis, MO have invented an improvement in CAP FOR A DRINKING CONTAINER (AT File 27844-817) and have executed an application for a United States patent based thereon assigned Serial No. 29/639,047 filed on March 2, 2018;

AND, WHEREAS, Handi-Craft Company having an address at 4433 Fyler Avenue, St. Louis, MO 63116, (hereinafter referred to as "ASSIGNEE") is desirous of acquiring certain rights thereunder;

NOW, THEREFORE, for one dollar and other good and valuable consideration, receipt of all of which is hereby acknowledged, I have agreed to and do hereby sell, assign and transfer unto said ASSIGNEE the entire right, title and interest in and throughout the United States of America (including its territories and dependencies) and all countries foreign thereto in and to said invention, said United States application, any other United States applications (including provisional, non-provisional, divisional, continuing, or reissue applications) based in whole or in part on said United States application or in whole or in part on said invention, any foreign applications based in whole or in part on any of the aforesaid United States applications or in whole or in part on said invention, and any and all patents (including extensions thereof) of any country which have been or may be granted on any of the aforesaid applications or on said invention or any part thereof;

TO BE HELD AND ENJOYED by said ASSIGNEE, its successors and assigns, as fully and entirely as the same would have been held

Attorney Docket No.: HC053/US1 (27844-817)
and enjoyed by myself had no sale and assignment of said
interest been made;

AND I hereby authorize and request the Commissioner of
Patents of the United States of America to issue any and all
United States patents which may be granted upon said United
States applications or any of them, or upon said invention or
any part thereof, to said ASSIGNEE;

AND I hereby severally agree for myself and for my
respective heirs, executors and administrators, to execute
without further consideration any further lawful documents and
any further assurances, and any provisional, non-provisional,
divisional, continuing, reissue, or other applications for
patents of any country, that may be deemed necessary by said
ASSIGNEE fully to secure to said ASSIGNEE its interest as
aforesaid in and to said invention or any part thereof, and in
and to said several patents or any of them;

AND I hereby severally covenant for myself and respective
legal representatives that I have granted no right or license to
make, use or sell said invention, to anyone except said
ASSIGNEE, that prior to the execution of this deed our right,
title and interest in said invention had not been otherwise
encumbered, and that I have not executed and will not execute
any instrument in conflict herewith.

Attorney Docket No.: HC053/US1 (27844-817)

IN WITNESS WHEREOF, I have hereunto set my hands.

Mark D. Reed
