ASSIGNMENT

This Assignment is effective April 1, 2017 between High End Systems, Inc., a Texas corporation ("Assignor") and Electronic Theatre Controls, Inc., a Wisconsin corporation ("Assignee").

1. For good and valuable consideration, receipt of which is hereby acknowledged by Assignor, Assignor hereby sells, assigns, transfers, and sets over to Assignee Assignor's entire right, title, and interest in and to:
 - a) the U.S. Patent Application listed in the Appendix to this Assignment (the "Applications");
 - b) all continuing applications, reissues, and reexaminations of the Applications in the United States; and
 - c) all inventions disclosed in the Patents, and any other patents or patent applications, filed in the United States or in any foreign country, directed to any of the inventions disclosed in the Applications.
2. Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents as described above, to issue all Letters Patent for the Patents and any other patent application or design application, filed in the United States or in any foreign country, directed to any of the inventions disclosed in the Applications to Assignee.
3. Assignor hereby represents that it has the full right to convey the interest assigned by this Assignment. Assignor represents and warrants that it has not executed and will not execute any agreement in conflict with this Assignment.
4. Assignor will, through its officers and employees, without further consideration:
 - a) communicate with Assignee any facts known by Assignor respecting the Applications, testify in any legal proceeding, sign all lawful papers when called upon to do so, and execute and deliver all papers that may be necessary or desirable to perfect the title to the Applications in the Assignee; and
 - b) execute all continuing and reissue Patents, make all rightful oaths, and generally do everything possible to aid Assignee, its successors and assigns, in obtaining patent and design protection covering any of the inventions disclosed in the Patents in the United States or in any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by Assignee.

IN TESTIMONY WHEREOF, each party has caused its authorized representative to execute this Assignment.
