## ASSIGNMENT

WHEREAS I, **Malcolm Munro**, a citizen of the United States having an address at 5011 Palomar Drive, Tarzana, California 91356;

I, **James Messerschmidt**, a citizen of the United States having an address at 5376 North Bremont Way, Prescott Valley, Arizona 86314;

I, **Ted Anderson**, a citizen of the United States having an address at 615 Leanne Way, Franklin, Tennessee 37069; and

I, **Joseph Hudgens**, a citizen of the United States having an address at 1304 Harris Road, Virginia Beach, Virginia 23452;

and each of us, if more than one person is identified above (hereinafter "Assignor"), made certain new and useful inventions and improvements for which we filed the following patent applications:

U.S. Patent Application No. 62/575,263 filed October 20, 2017, entitled LAPAROSCOPIC TRAINING SYSTEM; and

U.S. Patent Application No. 29/623,017 filed October 20, 2017, entitled TRAINING DEVICE FOR MINIMALLY INVASIVE MEDICAL PROCEDURES;

AND WHEREAS, the **American Association of Gynecological Laparoscopists, Inc. (AAGL)**, having an office at 6757 Katella Avenue, Cypress, California 90630 (hereinafter "Assignee") has previously acquired the entire right, title and interest in and to new and useful inventions and improvements regarding Essentials in Minimally Invasive Gynecology (EMIG) laparoscopic and hysteroscopic skills and is desirous of acquiring the entire right, title and interest in and to the aforementioned inventions, improvements and patent applications and in and to any and all Letters Patent to be obtained therefor;

NOW THEREFORE, to all whom it may concern, be it known that for the sum of Ten Dollars (\$10.00), or the equivalent thereof, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I have sold, assigned, and transferred, and by these presents do hereby sell, assign and transfer unto said Assignee, its successors or assigns, the entire right, title and interest for all countries throughout the world in and to all aforesaid inventions, improvements, and patent applications, and the right(s) to claim priority thereto, all patent

applications based upon said application(s), all divisions, reissues, continuations, continuations-in-part, and any extensions thereof and rights of priority therein, including all Letters Patent which may be granted therefrom, and all reissues or extensions of such patents, and in and to any and all applications which have been or shall be filed in any foreign countries for Letters Patent on the inventions and improvements, including an assignment of all rights under the provisions of the International Convention, and all Letters Patent of foreign countries which may be granted therefrom; and I do hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all United States Letters Patent for the aforesaid inventions and improvements to the Assignee as the assignee of the entire right, title and interest in and to the same, for the use of the Assignee, its successors and assigns, further including the right to sue for past infringement and any such recovery, said interest being my entire ownership interest in the same, to be held and enjoyed by said Assignee, its successors, assigns, or other legal representatives, to the full end of the term thereof, as fully and entirely as the same would have been held and enjoyed by me if this assignment and sale had not been made, including all rights of Assignor to recover for past infringement thereof;

AND, I do hereby agree that I and my executors and legal representatives will make, execute and deliver any and all other instruments in writing including any and all further application papers, oaths, affidavits, assignments and other documents, and will communicate to said Assignee, its successors and representatives all facts known to me relating to said improvements and the history thereof and will testify in all legal proceedings and generally do all things without charge to said Assignee which may be necessary or desirable to effectually secure to and vest in said Assignee, its successors or assigns the entire right, title and interest in and to the improvements, inventions, applications, Letters Patent, rights, titles, benefits, privileges and advantages hereby sold, assigned and conveyed, or intended so to be.

AND, furthermore I covenant and agree with said Assignee, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by us and that full right to convey the same as herein expressed is possessed by me.

**ASSIGNMENT**

This assignment shall have an effective date corresponding to the date of last signature. Additionally, this assignment may be executed in any number of counterparts, each of which shall be deemed an original and all of which shall together be deemed to constitute one assignment.

I declare under penalty of perjury under the laws of the United States of America, and under penalty of the laws of any other jurisdiction before which this document may be presented, that I have signed this document as my own free act and that all of the foregoing is true and correct.
