ASSIGNMENT BY INVENTOR

THIS ASSIGNMENT, made by Daniel Timms (hereinafter referred to as Assignor), residing at 2999 E Ocean Boulevard, Unit 1630, Long Beach, California 90803;

WHEREAS, Assignor has invented certain new and useful improvements in HEART PUMP, set forth in an international patent application, already filed on January 6, 2017 as International Patent Application No. PCT/US17/12503 (the "International Patent Application"); and

WHEREAS, BIVACOR Inc., a corporation organized under and pursuant to the laws of Delaware having its principal place of business at 2450 Holcombe Boulevard, Houston, Texas 77021-2040 (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to the inventions and the International Patent Application, and in and to any Letters Patent of the United States and any and all foreign countries to be obtained therefore and thereon.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient consideration, the receipt of which is hereby acknowledged, Assignor has sold, assigned, transferred and set over, and by these presents does sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned inventions and International Patent Application, and in and to any and all national stage applications, direct and indirect divisions, continuations and continuations-in-part claiming priority to the International Patent Application, and any and all Letters Patent in the United States and all foreign countries which may be granted therefore and thereon, and reissues, reexaminations, reviews and extensions of the International Patent Application, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which any patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignor, had this sale and assignment not been made.

AND for the same consideration, Assignor hereby represents and warrants to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignor is the sole and lawful owner of the entire

right, title and interest in and to the inventions and the International Patent Application above-mentioned, and that the same are unencumbered and that Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignor hereby covenants and agrees to and with Assignee, its successors, legal representatives and assigns, that Assignor will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any patent and applications for patent for the inventions, without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with the inventions, or the International Patent Application, or any proceeding in connection with any patent or applications for patent for the inventions in any country, including but not limited to derivation proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for patent, or any reissue, reexamination, review or extension of any patent, to be obtained thereon, is lawful and desirable.

AND Assignor hereby requests the Commissioner for Patents and Trademarks to issue Letters Patent of the United States to Assignee, as Assignee of said inventions and the Letters Patent to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

AND Assignor hereby grants the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:

GOODWIN PROCTER LLP

All practitioners at Customer Number 051414

AND Assignor acknowledges an obligation of assignment of this invention to Assignee at the time the invention was made.

Daniel Timms
