PATENT ASSIGNMENT TRANSFER

WHEREAS, each of the following entities listed owns one or more patents and patent applications listed in "Exhibit – Patents" attached hereto ("Patent Property"):

1. Kraco Enterprises, LLC, an Illinois limited liability company;
2. Auto Expressions, LLC, an Illinois limited liability company;
3. Who-Rae Australia, LLC, a Delaware limited liability company;
4. KE Mats Intermediate Holding Corp., a Delaware corporation; and
5. Kraco Asia Corporation, a Delaware corporation;

each individually and collectively the "Assignors" or "Assignor,"

WHEREAS, CA Acquisitions, LLC, an Illinois limited liability company, hereinafter referred to as Assignee, is desirous of acquiring the entire right, title, and interest in, to, and under the Patent Property, including the entire priority right derived therefrom,

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged,

Each Assignor assigns and transfers to Assignee and Assignee's legal representatives, successors, and assigns the entire right, title, and interest in, to, and under the inventions, the referenced Patent Property, and other such applications (e.g., provisional applications, non-provisional applications, continuations, continuations-in-part, divisionals, reissues, reexaminations, national and regional phase applications, petty patent applications, and utility model applications) that may be filed in the U.S. and/or any country foreign to the U.S. on the inventions, and the patents that may issue thereon, on the basis of the Patent Property,

Each Assignor conveys to the Assignee the right to make applications in Assignee's own behalf for protection of the inventions implicated under the Patent Property in the U.S. and countries foreign to the U.S. and to claim priority to the referenced patent applications and other such applications that may be filed in the U.S. or any country foreign to the U.S. on the invention under the Patent Cooperation Treaty, the Paris Convention, and any other international arrangements,

Each Assignor will not execute any writing or do any act conflicting with the terms of this assignment,

Each Assignor will at any time upon request, without further or additional consideration, but at the expense of the Assignee, execute such additional assignments and other writings and do such additional acts as the Assignee may deem necessary or desirable to pursue the patent applications identified herein, including, but not limited to,

rendering all necessary assistance in making applications for and obtaining patents that may issue thereon in the U.S. and any countries foreign to the U.S. on the inventions, and in enforcing any rights accruing as a result of such applications or patents, by, for example, executing statements and other affidavits,

Each Assignor and Assignee agree the terms of this assignment shall bind, and inure to the benefit of, the legal representatives, successors, and assigns of all parties hereto,

Each Assignor authorizes Assignee to insert in this assignment and as part of this assignment the numbers and filing dates of the applications if the numbers and filing dates of the applications are not recited herein at the time of execution of this assignment by any or all of the parties hereto,

Assignors and Assignee agree that U.S. law governs this assignment, and

Assignee acknowledges and accepts this assignment, as evidenced by the signature of an officer or authorized representative of Assignee below.

IN WITNESS WHEREOF, Each Assignor has caused one of its duly authorized officers to hereunder set his/her hand on the date shown below.
