ASSIGNMENT OF RIGHTS

This agreement is between Lance Echols ("Assignor") of 2372 Camino Haulapi, Unit A, Santa Fe, New Mexico 87505, and MIHE Systems LLC ("Assignee") 3880 Montana Verde Rd., Santa Fe, New Mexico 87507 (jointly, "the Parties").

1. Recitals. Assignor is a member of Assignee. Assignee is a New Mexico company engaged in the business of developing medical equipment. Assignor has the right to assign the entire right, title, and interest in the Invention and desires to do so in exchange for consideration, and Assignee desires to acquire the entire right, title, and interest in the Invention and any patents or patent applications arising out of the Invention.

2. The Invention. The "Invention" means the subject matter disclosed in the U.S. non-provisional patent application entitled Protective Perineal Pad with inventors Victor Marquez, Lance Echols, and Ryan Zahn, to be filed on or about August 22, 2018 and in the PCT international application with the same name, to be filed shortly thereafter.

3. Assignment. In exchange for one dollar (\$1.00) and other valuable consideration, of which Assignor acknowledges receipt and sufficiency, Assignor hereby assigns and transfers to Assignee all of Assignor's right, title and interest that Assignor may have or acquire in the Invention and all patents and patent applications arising therefrom, filed, or to be filed anywhere in the world, including unless otherwise specifically stated in this or another written document, all divisions, reissues, continuations, continuations-in-part, international applications, designs, international registrations of industrial designs, including family member patents and patent applications, and extensions thereof, and all rights of priority resulting from the filing thereof. Assignor hereby assigns and transfers the right and ability to apply for patents based on the Invention. Assignor hereby authorizes and requests any official whose duty it is to issue patents to issue any patent to Assignee or its successors and assigns. Assignor hereby agrees that on request and without further consideration but at the expense of Assignee, Assignor will communicate to Assignee any facts known to Assignor respecting the Invention or patents and patent applications arising therefrom and testify in any legal proceeding, sign all lawful papers, execute all original, divisional, continuing, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee in obtaining and enforcing patent protection in all countries.

4. Term. This Agreement shall remain in full force and effect for the enforceable life of any patents directed to the Invention.

5. Representations and Warranties. Assignor represents and warrants that Assignor has the entire right, title, and interest in the Invention and has the right to convey the entire right, title, and interest without limitation. Assignor represents and warrants that the entire right, title, and interest in the Invention is hereby transferred and assigned free and clear of any encumbrances.

6. Governing Law. New Mexico law shall govern this Agreement.

7. Attorney's Fees. In any proceeding arising out of this Agreement, the prevailing party shall be entitled to reasonable attorney's fees, costs, and other expenses incurred in connection with such proceeding.

ASSIGNMENT OF RIGHTS

This agreement is between Ryan Zahn ("Assignor") of 7519 E. Aster Dr., Scottsdale, Arizona 85260, and MIHE Systems LLC ("Assignee") 3880 Montana Verde Rd., Santa Fe, New Mexico 87507 (jointly, "the Parties").

1. Recitals. Assignor is a member of Assignee. Assignee is a New Mexico company engaged in the business of developing medical equipment. Assignor has the right to assign the entire right, title, and interest in the Invention and desires to do so in exchange for consideration, and Assignee desires to acquire the entire right, title, and interest in the Invention and any patents or patent applications arising out of the Invention.

3. Assignment. In exchange for one dollar (\$1.00) and other valuable consideration, of which Assignor acknowledges receipt and sufficiency, Assignor hereby assigns and transfers to Assignee all of Assignor's right, title and interest that Assignor may have or acquire in the Invention and all patents and patent applications arising therefrom, filed, or to be filed anywhere in the world, including unless otherwise specifically stated in this or another written document, all divisions, reissues, continuations, continuations-in-part, international applications, designs, international registrations of industrial designs, including family member patents and patent applications, and extensions thereof, and all rights of priority resulting from the filing thereof. Assignor hereby assigns and transfers the right and ability to apply for patents based on the Invention. Assignor hereby authorizes and requests any official whose duty it is to issue patents to issue any patent to Assignee or its successors and assigns. Assignor hereby agrees that on request and without further consideration but at the expense of Assignee, Assignor will communicate to Assignee any facts known to Assignor respecting the Invention or patents and patent applications arising therefrom and testify in any legal proceeding, sign all lawful papers, execute all original, divisional, continuing, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee in obtaining and enforcing patent protection in all countries.

4. Term. This Agreement shall remain in full force and effect for the enforceable life of any patents directed to the Invention.

5. Representations and Warranties. Assignor represents and warrants that Assignor has the entire right, title, and interest in the Invention and has the right to convey the entire right, title, and interest without limitation. Assignor represents and warrants that the entire right, title, and interest in the Invention is hereby transferred and assigned free and clear of any encumbrances.

6. Governing Law. New Mexico law shall govern this Agreement.

7. Attorney's Fees. In any proceeding arising out of this Agreement, the prevailing party shall be entitled to reasonable attorney's fees, costs, and other expenses incurred in connection with such proceeding.

8. **Attorney's Representation.** Assignor acknowledges that Thomas W. Galvani is Assignee's counsel, is not Assignor's attorney, and cannot advise Assignor with respect to this Agreement. If Assignor wishes to be advised regarding this Agreement, it is recommended that Assignor consult with independent counsel of Assignor's choosing.

9. **Reformation and Severability.** If any section of this Agreement is deemed invalid or unreasonable by a court or arbitrator, such section shall be severable from the remainder of this Agreement, which shall be enforced according to its terms irrespective of the enforceability of the invalid or unreasonable section, provided such enforcement is consistent with the general intent of the Parties as evidenced by this Agreement as a whole.

10. **Execution and Effective Date.** IN WITNESS WHEREOF, the Parties have duly executed this Agreement as of August 22, 2018. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which shall constitute one and the same instrument.
