**ASSIGNMENT BY INVENTORS**

THIS ASSIGNMENT is made by **Alina JÖRIBEN** (München, Germany), **Vincent TREDEZ** (München, Germany) and **Anne SCHLÖSSER** (Feldafing, Germany), (hereinafter referred to as "Assignors").

WHEREAS, Assignors have invented certain new and useful improvements in **COMPRESSOR** (hereinafter referred to as "Invention"), set forth in U.S. Design Patent Application No. 29,633,021, filed January 11, 2018, (hereinafter referred to as "Application" Attorney Docket No. 2009618-5052DES); and

WHEREAS, **PARI GmbH Spezialisten für effektive Inhalation**, having its principal place of business at Moosstr. 3, D-82319 Starnberg, Germany (hereinafter referred to as "Assignee"), is desirous of acquiring the entire right, title and interest in and to said Invention and said Application, and in and to any Letters Patent of the United States to be obtained therefor and thereon.

NOW, THEREFORE, IN CONSIDERATION OF good and sufficient consideration, the receipt of which is hereby acknowledged, Assignors have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto Assignee, Assignee's successors, legal representatives and assigns, the entire right, title and interest in and to the Invention and Application, and in and to any and all direct and indirect non-provisional, utility, design, division, continuation and/or continuation-in-part of or claiming priority to said Application, and any and all Letters Patent in the United States and all foreign countries which may be granted therefor and thereon, and reissues, reexaminations and extension of said Letters Patent, and all rights under the International Convention for Protection of Industrial Property including all rights of priority, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignors, had this sale and assignment not been made.

AND for the same consideration, Assignors hereby represent and warrant to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignors are the sole and lawful owners of the entire right, title and interest in and to said Invention and said Application, and that the same are unencumbered and that Assignors have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignors hereby covenant and agree to and with Assignee, its successors, legal representatives and assigns, that Assignors will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said Invention, without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns shall advise: that any proceeding in connection with said Invention, or said Application, or any proceeding in connection with any Letters Patent or applications for Letters Patent for said Invention in any country, including but not limited to derivation proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND Assignors hereby request the Director of the United States Patent and Trademark Office to issue said Letters Patent of the United States to Assignee, as Assignee of said Invention, said Application and the Letters Patent to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

AND Assignors hereby grant the following individuals the power to insert on this Assignment the application filing date and application serial number, and any further

identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:

MCGUIREWOODS LLP

including all practitioners at Customer Number 23345.

AND Assignors acknowledge an obligation of assignment of the Invention and Application to Assignee at the time the Invention was made.
