and INVENTORS/ASSIGNORS wish to assign their entire right title and interest as well as any invention(s) patent application(s) and/or patent(s)

which may be granted in all foreign countries in the above patent family to ASSIGNEE.

Consumer Products International LLC. (hereinafter referred to as "ASSIGNEE") desires to acquire the entire right, title and interest in said any invention(s) patent application(s) and/or patent(s) which may be granted in the United States and in all foreign countries.

THE PARTIES AGREE AS FOLLOWS:

In consideration of good and valuable consideration, the receipt, sufficiency and adequacy of which is hereby acknowledged, INVENTORS/ASSIGNORS have sold, assigned and transferred, and by these present do hereby sell, assign and transfer to ASSIGNEE the entire right, title and interest in the above-identified invention(s) and patent application(s) and to any reissues, renewals, divisions or continuations of the application(s) thereof, and hereby authorizes the Commissioner of Patents and Trademarks to issue such Letters Patent(s) to ASSIGNEE for the sole use of ASSIGNEE, its successors or assigns. This transfer includes any Letters Patent that may be granted in the United States or in any foreign countries.

INVENTORS/ASSIGNORS further agree to execute, at the request and expense of ASSIGNEE, such other formal documents as may be required to fully convey the interest transferred herein and will similarly execute any patent application papers (foreign or domestic) required for the filing of any divisional, continuation, renewal or reissue of the patent application(s) or resulting Letters Patent(s); and will generally do everything

necessary or desirable to obtain and enforce proper protection for the invention(s), patent application(s) and/or patent(s) which may issue thereon.

INVENTORS/ASSIGNORS further assign to ASSIGNEE the whole right, title and interest in the invention(s), patent application(s) and/or patent(s) throughout all countries foreign to the United States. ASSIGNEE is hereby authorized to apply for patents relating to the inventions in its own name in countries where such procedure is proper; to claim the benefit of the International Convention; to file and prosecute International Applications relating to the invention(s), patent application(s) and/or patent(s) under the Patent Cooperation Treaty; and to file and prosecute applications relating to the invention(s), patent application(s) and/or patent(s) under the European Patent Convention. INVENTORS/ASSIGNORS agree to execute applications relating to the invention(s), patent application(s) and/or patent(s) in those countries and under those conventions where it is necessary that the same be executed by the ASSIGNOR, or the INVENTORS/ASSIGNORS, and to execute assignments of such applications and the resulting Letters Patent to ASSIGNEE, as well as all other necessary papers in relation to such applications and Letters Patent.
