ASSIGNMENT

PARTIES AND RECITALS

I, Anthony Smith, citizen of the United States of America, residing at 320 E. Ellis St., Long Beach, CA, 90805 USA, (hereinafter referred to as the Assignor), have invented an invention entitled, **MEASURING CUP** for which an application for United States Letters Patent has been duly executed on August 18, 2018.

Cambro Manufacturing Company, a California corporation located at 5801 Skylab Road, Huntington Beach, California 92647 (hereinafter referred to as Assignee), is desirous of acquiring the entire and exclusive right, title and interest in and to said invention, said application, and in and to any Letters Patent which may be granted and issued therefore in the United States and throughout the world.

ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged, the above named Assignor, by these presents does sell, assign and transfer unto said Assignee and the successors and assigns of said Assignee, without any reservation thereto, the entire and exclusive right, title and interest to said invention and all improvements thereon as well as said patent application, in the United States and corresponding applications throughout the world, and in and to any Letters Patent which may be granted and issued thereon in the United States and throughout the world. I agree without additional consideration, to execute said above described application and any

corresponding applications, provisional applications, divisions, continuations, or continuations in part thereof, or any other documents, including those for reexamination, or reissue, now or hereinafter necessary to perfect the rights herein assigned.

The United States Commissioner of Patents is hereby authorized and requested to issue said United States Letters Patent to said Assignee, its successors and assigns.

Executed this 20th day of August 2018
at Huntington Beach, CA. 92647.

Anthony Smith
