Independent Contractor Agreement

This Agreement (the "Agreement") is made between TRAXCELL THCHNOLOGIES, LLC ("Company"), and STEPHEN MICHEAL PALIK ("Contractor").

Services. Contractor agrees to perform the following services: Assist in with the preparation of designs, flowcharts, hardware, software, written descriptions, consulting, and other duties as they relate to preparation on Provisional and Non-Provisional Patent Applications titled "A MACHINE FOR PROVIDING A DYNAMIC DATABASE OF GEOGRAPIC LOCATIONS FOR A PLURALITY OF WIRELESS COMMUNICATIONS DEVICES AND PROCESS FOR MAKING SAME", files as a Provisional Patent Application on October 4th, 2001, USPTO Serial Number 60/327,327.

The services shall be completed by the following date: This is an ongoing Agreement, which may be terminated by either party with 30 days written notice. Any termination of this Agreement does not terminate the obligation to pay monies owed to either party.

During the process, Contractor shall keep the Company informed of work in progress.

Payment. Company agrees to pay Contractor as follows:

\$20.00 an hour to be paid weekly, and 20% of any net profit (if any) from gross income received from this invention, payable within 60 days after income is received and bills are paid in full, for the services and acquisition of the rights provided below.

Assignment, Works Made for Hire. Contractor assigns to Company any trade secret, process, system, trademarks or patentable creation (Innovations) created by or discovered or developed in whole or in part by Contractor as a result of any work performed by Contractor under this Agreement. Such Innovations shall be the sole and exclusive property of Company. Any works of authorship ("Works") commissioned pursuant to this Agreement shall be considered as works made for hire as that term is defined under U.S. copyright law. To the extent that any Works do not qualify as a work made for hire, Contractor hereby assigns and transfers to Company all rights in such Works.

Contractor agrees to sign and deliver to Company (either during or subsequent to commencing work) such documents as Company considers desirable to evidence: (1) the assignment to Company of all rights of Contractor, if any, in any such Innovation or Work, and (2) Company's ownership of such Innovations and Works.

Power of Attorney. In the event Company is unable to secure Contractor's signature on any document necessary to apply for, prosecute, obtain or enforce any legal right or protection relating to any Innovation or Works referred to above, Contractor irrevocably designates and appoints Company (and each of its duly authorized officers and agents) as his agent and attorney-in-fact, to act for and in his behalf and to execute and file any such document and to do all other lawfully permitted acts to further the prosecution, issuance

and enforcement of patents, copyrights or other rights.

Contractor Warranties. Contractor warrants that any Innovations or Works created by Contractor shall not infringe any intellectual property rights or violate any laws.

Confidential Information. For purposes of this Agreement, "Confidential Information" shall include all information or material that has or could have commercial value or other utility in the business in which Company is engaged. If Confidential Information is in written form, Company shall label or stamp the materials with the word "Confidential" or some similar warning. If Confidential Information is transmitted orally, Company shall promptly provide a writing indicating that such oral communication constituted Confidential Information.

Contractor's obligations not to disclose Confidential Information do not extend to information that is: (a) publicly known at the time of disclosure under this Agreement or subsequently becomes publicly known through no fault of Contractor; (b) discovered or created by Contractor prior to disclosure by Company; (c) otherwise learned by Contractor through legitimate means other than from Company or Company's representatives; or (d) is disclosed by Contractor with Company's prior written approval.

Contractor shall hold and maintain the Confidential Information of Company in strictest confidence for the sole and exclusive benefit of Company. Contractor shall carefully restrict access to Confidential Information to employees, contractors and third parties as is reasonably required and only to persons subject to nondisclosure restrictions at least as protective as those set forth in this Agreement. Contractor shall not, without prior written approval of Company, use for Contractor's own benefit, publish, copy, or otherwise disclose to others, or permit the use by others for their benefit or to the detriment of Company, any Confidential Information. Contractor shall return to Company any and all records, notes, and other written, printed, or tangible materials in its possession pertaining to Confidential Information immediately if Company requests it in writing.

The nondisclosure and confidentiality provisions of this Agreement shall survive the termination of any relationship between Company and Contractor except that this Agreement and Contractor's duty to hold Company's Confidential Information in confidence shall remain in effect until the Confidential Information no longer qualifies as a trade secret or until Company sends Contractor written notice releasing Contractor from this Agreement, whichever occurs first.

Relationships. Nothing contained in this Agreement shall be deemed to constitute either party a partner, joint venturer or employee of the other party for any purpose.

Severability. If a court finds any provision of this Agreement invalid or unenforceable, the remainder of this Agreement shall be interpreted so as best to effect the intent of the parties.

Integration. This Agreement expresses the complete understanding of the parties with respect to the subject matter and supersedes all prior proposals, agreements, representations and understandings. This Agreement may not be amended except in a writing signed by both parties.

Waiver. The failure to exercise any right provided in this Agreement shall not be a waiver of prior or subsequent rights.

This Agreement and each party's obligations shall be binding on the representatives, assigns and successors of such party. Each party has signed this Agreement through its authorized representative.
