ASSIGNMENT

This Assignment is by:

1. Jeng-Hong Her
1230 Bordeaux Drive
Sunnyvale, CA 94089
United States of America
2. Huang-Tsu Chen
19790 Auburn Drive
Cupertino, CA 95014
United States of America

(referred to in this Assignment as "Assignors"), who reside at or have a mailing address as listed above.

This Assignment is to:

Assignee: ProtevoBio, Inc.
Address: 1230 Bordeaux Drive, Sunnyvale, CA 94089 USA
A corporation duly organized under and pursuant to the laws of: United States of America

(referred to in this Assignment as "Assignee"), who desires to acquire Assignors' entire right, title and interest in the International Application filed via the Patent Cooperation Treaty (hereinafter referred to as "PCT application") set forth below and in said inventions set forth therein, and in any United States or foreign, letters patent or patents, to be obtained therefor and thereon.

Assignors have invented certain new and useful inventions in:

PROTEIN INHIBITORS TO COMPLEMENT AND VEGF PATHWAYS AND METHODS OF USE THEREOF

for which the following PCT application has been filed:

Serial No.: PCT/US2012/067489 Filing Date: November 30, 2012

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged,

1. Assignors hereby sell, assign, transfer and set over, to Assignee, its successors, legal representatives and assigns, Assignors' entire right, title and interest in and to the above-mentioned inventions, PCT application, and any and all letters patent or patents in the United States of America and all foreign countries which may be granted therefor and thereon, and in and to any and all provisionals, non-provisionals, divisions, continuations, continuations-in-part and substitutions of said application, or reissues, re-examinations or extensions of said letters patent or patents, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee (including any right to institute actions and to recover for past, present and future infringement), for its own use and the use of its successors, legal representatives and assigns, to the full end of the term or terms for which letters patent or patents may be granted, as fully and entirely as the same would have been held and enjoyed by Assignors, had this sale and assignment not been made.
2. Assignors represent, warrant and covenant that, at the time of execution and delivery of this agreement, Assignors are the sole and lawful owners of Assignors' entire right, title and interest in and to said inventions and said PCT application, and that the same are unencumbered and that Assignors have good and full right and lawful authority to sell and convey the same in the manner set forth in this agreement.

3. Assignors shall promptly sign and execute all papers and documents, take all lawful oaths, and do all acts necessary, required or useful for the procurement, maintenance, enforcement, defense or otherwise to secure title thereto to the Assignee, at the sole cost and expense of Assignee, its successors, legal representatives and assigns, in each case including, without limitation, arising from or relating to (a) said inventions, or said PCT application; (b) letters patent for said inventions in any country, including any reissue, re-examination or extension of or interference proceedings; or (c) any provisional, division, continuation, continuation-in-part, or substitutions of any application for letters patent or any reissues, re-examinations, extensions or interference proceedings involving any letters patent, to be obtained thereon. To be clear, for purposes of this paragraph, "desirable" shall include, without limitation, any act necessary or useful in connection with United States laws and/or international conventions.

4. Assignors hereby authorize and request National Patent Offices to issue the above mentioned letters patents granted for National and Regional Phase patent applications derived from said PCT application to said Assignee as the assignee of said inventions and the letters patent to be issued thereon for the sole use of Assignee, its successors, legal representatives and assigns.

5. "I hereby grant Assignee's attorneys, all of Morrison & Foerster LLP, the power to insert on this assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark office for recordation of this document, including the power to insert on this assignment the application number and filing date of said application when known."

In witness whereby, executed by the undersigned on the date(s) opposite the undersigned name(s).
