3. Assignor further agrees to execute such further documents reasonably required by Assignee to secure and enforce the rights granted to Assignee under this Assignment.

4. Assignee may record this Assignment with the United States Patent and Trademark Office ("USPTO") and with comparable offices in other jurisdictions throughout the world. 6. This Assignment shall inure to the benefit of and be binding upon the Parties and their respective successors and permitted assigns.

7. This Assignment may be executed in counterparts, each of which shall be deemed an original, and together shall constitute one and the same agreement and shall be effective as of the Effective Date indicated above when one or more counterparts have been signed by each of the Parties and delivered to the other Party, it being understood that both Parties need not sign the same counterpart.
