SCHEDULE 2

ASSIGNMENT

THIS DEED OF ASSIGNMENT is made the 26th day of June 2017.

BETWEEN

- (1) Donald Edward Morgan having a place of residence at 33 Kingsley Parade, Yeronga, Brisbane, Queensland, 4104, Australia (referred to as "the Assignor"); and
- (2) Strategic Sports Limited, a company incorporated in Hong Kong of Unit 16, 10/F, Concordia Plaza, 1 Science Museum Road, Tsimshatsui, Kowloon, Hong Kong ("the Assignee").

WHEREAS, the Assignor has invented a new invention for a Pendulum Impact Damping System ("PIDS") (a description of such invention is attached in the Schedule hereto) for which applications for patents have been filed; and

WHEREAS, the Assignor believes himself to be the original, first and only inventor of the PIDS invention disclosed and claimed; and

WHEREAS, the Assignee desires to acquire by formal, recordable assignment the entire right, title and interest in and to said invention, any applications and any patent that may be granted for said invention throughout the world (together "Invention");

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignor hereby sells, assigns and transfers to the Assignee, the entire right, title and interest in and to the Invention, including the right to file applications directly in the name of the Assignee and to claim for any such applications any priority rights to which such applications are entitled under international conventions, treaties or otherwise; save that any patent applications for the Inventions shall be held in the joint names of the Assignor and the Assignee.

1/c

Further, the Assignor agrees that, upon request and without further consideration, but at no expense to the Assignor, he and his legal representatives and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing or enforcing the Invention throughout the world, and for perfecting, recording or maintaining the title of the Assignee, its successors and assigns, to the said Invention.

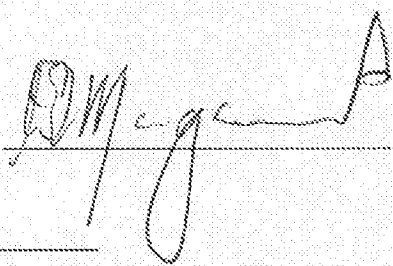

The Assignor represents and warrants that the Assignor has not granted and will not grant to others any rights inconsistent with the rights granted herein.

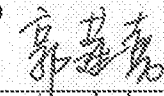

IN WITNESS WHEREOF, the Assignor and the Assignee have executed this Assignment on the date first above written.
