ASSIGNMENT

WHEREAS, **John Jay WAGNER**, residing at 681 Old Stamford Road, New Canaan, Connecticut 06840 (hereinafter referred to as "Assignor"), is the owner of the entire right, title and interest in and to the patent applications and patents identified on the attached Exhibit A, together with the invention(s) disclosed therein (collectively, the "Patents"); and

WHEREAS, **PILLOWVISION, LLC**, a California limited liability company having its principal place of business at 845 Winston Ave., San Marino, California 91108 (hereinafter referred to as "Assignee"), is desirous of acquiring the entire right, title and interest in and to said Patents and in and to any Letters Patent or Patents, United States or foreign, to be obtained therefor and thereon:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, said Assignor has sold, assigned, transferred and set over, and by these presents does sell, assign, transfer and set over, unto said Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned Patents, International Patent Applications and any and all Letters Patent or Patents in the United States of America and all foreign countries which may be granted therefor and thereon, and in and to any and all conversions, divisions, continuations and continuations-in-part of said applications, or reissues or extensions of said Letters Patent or Patents, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by said Assignee for its own use and the use of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent or Patents may be granted, as fully and entirely as the same would have been held and enjoyed by the Assignor, had this sale and assignment not been made.

AND for the same consideration, said Assignor hereby covenants and agrees to and with said Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, said Assignor is the sole and lawful owner of the entire right, title and interest in and to the Patents, and that the same is unencumbered and that said Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, said Assignor hereby covenants and agrees to and with said Assignee, its successors, legal representatives and assigns, that said Assignor will, whenever counsel of said Assignee, or the counsel of its successors, legal representatives and assigns, shall advise that any proceeding in connection with Patents or any proceeding in connection with Letters Patent or Patents granted thereon in any country, including interference proceedings, is lawful and desirable, or that any division, continuation or continuation-in-part of any application for said Letters Patent or Patents or any reissue or extension of any Letters Patent or Patents to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of said Letters Patent or Patents for said inventions, without charge to said Assignor its successors, legal representatives and assigns, but at the cost and expense of said Assignee its successors, legal representatives and assigns.

AND said Assignor hereby requests the Commissioner of Patents to issue said Letters Patent or Patents of the United States to said Assignee as the Assignee of said Patents and the Letters Patent or Patents to be issued thereon for the sole use of said Assignee, its successors, legal representatives and assigns.
